**Ontario believes
that residents 65 or over,
the blind and the disabled
should have an income of
at least \$2600 a year.**

In July, Ontario will introduce a Special Benefits program. It will place extra funds on top of federal Guaranteed Income Supplements—enough to guarantee the elderly who are qualified residents of Ontario an income of \$2600 a year. Blind and disabled people who qualify for Family Benefits will also be entitled to these special benefits.

Beginning September 1, approved drugs prescribed by a doctor or dentist will be available, free of charge, to those qualifying for the special benefits outlined above, Family Benefits or the federal Guaranteed Income Supplement. Drug cards will be mailed automatically. You don't have to apply for them.

Who will receive these special benefits?

If you are 65 or over (with an annual income of less than \$2600)...and you now receive both Old Age Security and the Guaranteed Income Supplement... you will receive your benefits cheque each month, automatically. You do not have to apply for it.

TORONTO — There are barbecue facilities and hot and cold snacks are offered at the refreshment booth. Greenwood has group camping by permit.

The Area, just a short drive northeast of Metro Toronto, is five miles north of the Village of Pickering, off the Westney Road. It is open seven days a week from 10 a.m. to sundown and is one of a number of Conservation Areas operated by the Metropolitan Toronto and Region Conservation Authority.

Fishing, swimming and hiking are just a few of the things to do — or just relax and sunbathe.

From the nature trail, visitors can see signs of the many animals and birds that inhabit the Area. The trees along the trail are labelled to help visitors identify the various varieties.

**Thomas Edward Davis
Long-time resident**

CLAREMONT — A long-time resident of Claremont, Thomas Edward Davis, died in his sleep Saturday morning, July 6. He had been in ill health for a year. Born in Glasgow in the Township of Uxbridge on March 5, 1918. Mr. Davis was the son of Annie and Edward Davis. He was married to Velma Brown of Mongolia in the Menonite Manse in 1936 and lived in various places in the Stouffville area before settling in Claremont in 1944. He was an employee of Sarco Canada and remained with the firm for over 30 years. A quiet and home loving man he will be remembered by many who profited by his helpfulness and concern.

Even though he was under constant medical care, Mr. Davis was able to continue his interest in his farm property on the 7th Concession which he purchased 9 years ago. He and Mrs. Davis were ardent collectors of antiques and his house and "Old Barn" were filled with the results of their trips throughout the countryside in search of old time furniture and mementoes.

Mr. Davis is survived by his wife, two daughters, June, (Mrs. Bill Armour) of West Hill and Mrs. Sandra McKenzie of Markham; six grandchildren, Lori, Lee, Debbie and Terry Armour; Kathryn and Sean McKenzie; one brother, James Davis of Uxbridge Township and five sisters, Mrs. Charlie Symes and Mrs. Ivan Norton of Goodwood, Mrs. Henry Stephens of Palmerston, Mrs. Gladys Sewell of Hamilton and Mrs. Ruth Skinner of Stroud.

Funeral services were held in O'Neill's Funeral Home Monday, July 8, with the Rev. Douglas Davis officiating. Pallbearers were six nephews, Mervin and Kenneth Davis, George Robb, Donald Muirhead and Keith and Kim Steckley. Interment was in Stouffville Cemetery.

**Mayor Gordon Ratcliff
Old post office
could be centre**

STOUFFVILLE — Each week The Tribune tries to keep the people of Whitechurch - Stouffville informed as to what is happening in town. This includes a weekly press conference with Mayor Gordon Ratcliff.

What role would the town play in setting up day care centres, since this "is a regional responsibility."

We would make suggestions as to where it would go and whether there was a need, but the implementation would be up to the region.

The mayor suggested the old post office, which will soon be vacant, would be a good site for such a centre. He said the area behind the building, which is slated to be turned into park land, would make a good play area for children.

"The problem is the costs are quite high," concluded the mayor, "but if it's a service that's needed we should take a look at it."

In light of the accident last week where a little girl was seriously injured and the frequent complaints of hot rodders in town, do you think police protection is adequate?

"After the recent fire at Schell Lumber we had a number of calls that police protection was inadequate," replied the mayor, "and there is too much hotrodding." The mayor then went on to explain that he had spoken with a York Regional Police official who assured him, "there is going to be a housecleaning."
