Sales barn market has something for everyone

This youngster does not appear to be too excited about the kiddy ride that is another facet of the open air market at the Stouffville Sales Barn. There seems to be something for everyone.

This gentleman had a running commentary to attract people to his magic device for increase gas mileage. His rapid-fire delivery added to the atmosphere of the market.

STOUFFVILLE — An excursion to the Stouffville Sales Barn on a Saturday afternoon sharply contrasts with the current vogue, climate controlled indoor malls.

The market is in the open air and the assortment of goods available would put to shame even the most gargantuan modern mall. The sights, sound and smells create an atmosphere unsurpassed for the intrepid bargain hunter.

Fruit and vegetable stands are vast in their array of every conceivable kind of produce. The rows of stands contain people selling used electrical fixtures, old tires and little gadgets to increase gas mileage, leather-work and various other used items.

Enterprising vendors are expert in persuading customers to look at what they have to offer. The hard sell is the stock and trade, here with many willing to make a deal even on a basket of tomatoes.

The visitor marvels at the phenomenon. Even the most hard-nosed shopper ends up buying something. Somehow a modern mall pales in comparison.

House League report

Halfway mark standings

STOUFFVILLE — Nearing the halfway mark of league games, the biggest fight to gain top spot seems to be developing in the Squirt Boys with Pine Orchard, Stouffville 2, Stouffville 6 and Goodwood all scrambling for top spot and only two points dividing them.

The Squirt Girls leader is Stouffville 1, and they seem to be holding down top spot with a comfortable margin of six points, having lost only one game in their seven starts.

Ballantrae Bantam Girls are only one point ahead of last year's winners Pine Orchard, but Pine Orchard have a game in hand, and the Ballantrae team have won all of their games to date.

Goodwood 2 have yet to lose a game in their bantam boys division, and although they are sitting two points behind league leaders Goodwood 1, they have a better win-loss record. Vandorf are tied for second spot, and Ballantrae 2 are only two points behind, and this Bantam League could end up in a close race before the end of August.

Orchard 2 are tied for top spot in the Pee Wee Girls league, but Pine Orchard 2 dropped a 10 to 1 game to Ballantrae 2 this past week, and it should be interesting the next time these two teams meet on July 26.

Pine Orchard and Ballantrae 1 are league leaders in the Pee Wee Boys, with Pine Orchard having seven wins in as many starts, and Ballantrae 1 having won six games with no losses. Vandorf, Goodwood and Stouffville 1 and 4 are in

hot pursuit and not to be counted out at this point.
