

Lions Club charter night

By Mrs. W. Sandle
VIC. SQUARE — The Victoria Square and District Lions Club 15th Anniversary Charter Night was held on Tuesday evening of last week in the Community Hall.

Following the delicious dinner, catered by the ladies of the United Church, Lion Brian Shepherd led a sing-song accompanied on the piano by David Nelson. David also played several numbers on his piano accordion which were very much enjoyed.

The guest speaker was Mr. Wm. J. Malone, president of Leuw Cather Co., Prof. of Engineers and Road Builders, who gave a very informative talk illustrated with slides of transportation from the early 1800's to the present and for the future.

In the presentation of the attendance awards it was interesting to note that Lion Gordon McWhirter received the perfect attendance award for 15 years.

The October meeting of the U.C.W. was held in the Sunday School room on Wednesday evening of last week with the president, Mrs. John McCague in charge.

Mrs. (Rev.) Victor Shepherd gave a very

interesting talk with much food for thought on There were 13 tables of Euchre players at the Community Hall on Friday evening of last week.

Prize winners were — Ladies: Mrs. Jim Edgington; Mrs. Bertha Williams; and Mrs. Verna Jones. Men: Mrs. Margaret, Chadwick; William Sandle and Fraser Gee.

Lucky draw winner was Mrs. Herman Mortson.

Another Euchre party will be held in the Community Hall on Friday evening, Nov. 1 at 8 p.m.

Because of the Turkey supper early in November, the Women's Institute had to change its regular meeting date to Tuesday, Oct. 29.

This meeting will take the form of a work shop to make egg carton Christmas arrangements.

Please come in the morning and bring your own lunch, and make something. Bring along styrofoam cartons and meat trays and old Christmas decorations. Also bring along a friend who would be interested.

On Oct. 30 in the Victoria Square Community Hall at 7:30 p.m. the Gormley-Headford-Victoria Square branch of the York Central Hospital Auxiliary will be hosting a "Something for Everyone" evening — a dessert, bazaar, white elephant, and bake sale.

Tickets are available at the door or from Dorothy Beatty, 884-6294. Everyone welcome.

The annual Turkey supper sponsored by the Victoria Square United Church will be held in the Community Hall on Wednesday, Nov. 13 from 5-8 p.m.

How many energy leaks are there in your home?
At one drop per second, a dripping hot water tap can waste about 175 gallons of hot water each month. The electricity required to heat that water would keep a 60-watt bulb burning continuously.
Poor insulation, a faulty heating system, inefficient use of appliances... all cause energy leaks in the home. This can increase the cost of running a home—and waste Canada's precious energy resources.
It makes good sense to use electricity and all forms of energy wisely. And that includes stopping those energy leaks.
