

SHRIMP TIP

Salvos for shrimp cocktail, especially the madly popular one with the red sauce on top! True, home production usually takes some doing but not if you already have a can of shrimp tucked away in the refrigerator. Canned shrimp, thoroughly chilled, make good cocktail shrimp. As for the favorite red cocktail sauce, it is simple beyond belief to make.

COCKTAIL FOR TWO

- 1 can (4 1/2 ounces) shrimp
 - Crisp lettuce
 - 1/2 cup chili sauce or tomato catsup
 - 1/3 cup chopped celery
 - 2 teaspoons prepared horseradish
 - 1 tablespoon lemon juice
- Rinse shrimp in cold water. Arrange in lettuce-lined cocktail glasses. Combine sauce ingredients and spoon over shrimp.

Call a muscular dystrophy or multiple sclerosis society and offer to help children do their therapeutic exercise.

Don't take up two parking spaces.

Newcomers to the neighborhood, welcome any opportunity to meet others. Don't just ask the children in. Get to know the parents, as well.

Friendless persons who have no relatives are sometimes patients in hospitals. Why not call your local church or Salvation Army to find out their names and send them flowers? Flowers express love. Ask the florist to please FTD-it, and you'll be getting the services of the top-quality Florists' Transworld Delivery Association network.

Holiday Fashion Tips

With the holiday season approaching and a heavy social schedule on your calendar, you should be planning your fashions for all those parties coming up.

This year, the best party clothes are in the sportswear department. Even high priced clothes are designed around a separates idea. Today's mix-and-match outfits are soft, but with a verve and freshness that fits right in with the party spirit. They are comfortable to wear, even when you're balancing a buffet plate on your knees, and the best part of this new attitude is that you can use some of your old favorites to create a new look.

On Women Today, a radio series sponsored by Hanes Hosiery, hostess Lee Meriwether suggests a fashion game any woman can play: take an imaginary outfit, such as a creamy satin blouse and a long black satin skirt, through several types of parties. If you have four kinds of festivities to attend, an office party, a family dinner for 20, an egg-nog buffet, and a formal dance, you can wear it to every one with only a few changes. For the conservative occasion, button the blouse up to the neck, wrap a piece of fancy ribbon around your waist and anchor it with a glittery pin. Wear black pumps and Barely Black sheer hosiery to be pretty and business-like!
