20. In Memoriam and Cards of Thanks

More words seem inadequate to express our sincere appreciation for the efficiency of the Fire Dept., the friends and neighbours who administered first aid to us, and the friends who tried desperately to rescue our children. We are also thankful for the assistance we have received from the members and officers of the Legion, The United Automobile Workers, United Steel Workers and all other organizations for their donations and flowers.

Without your sympathy and understanding our loss would have been more difficult to bear. Your thoughtfulness and sympathy have been most helpful and consoling to us in our bereavement.

Friends who remember in the hour of sorrow are never forgotten. We want everyone to know how much we appreciate all you have done, and this will always remain a cherished memory.

Frank & Judy Taylor Claremont.
