Atoms win in league

STOUFFVILLE — The Edwards Murphy atoms were given lessons in positional play in two exhibition games last week which they lost, but were able to come up with wins in two league contests.

Against "AAA" Oshawa on Jan. 7, the atoms played well but were unable to cope with Oshawa's constant checking and flawless positional play. While the 6-1 score didn't entirely reflect the play Oshawa deserved the win, according to manager Peter Jones.

Playing on Jan. 9 in exhibition, the Edwards Murphy team played well enough to beat the Markham Majors, but were not able to finish off their plays at the Markham net, Jones said.

The score ended 2-1 in favor of Markham, with Kevin Bartley scoring Stouffville's only goal on a Norm McKenzie pass.

Returning to league action on Friday at the Stouffville Arena, the atom club had little difficulty defeating Uxbridge 4-1.

All-star midget B's Teamwork helps club

STOUFFVILLE — Learning to play as a team, including some strong defensive work, has enabled the local midget B teams to score victories recently.

Those wins include an 11-2 stomping administered to Uxbridge, making the highest point total accumulated by the team this season.

Other recent games were a 4-1 tie on Thursday, and a win and two losses at tournament on Saturday.

As the season began, the team was registering nothing but losses, or so it seemed.

Coach Guy D'Addario attributes the upswing to the boys playing a little more like a team. They've gotten to know each other.

D'Addario also said that goalie Bill Elson has had "continually brilliant play" recently. Defensesmen Dave Middleton, Ken Smith, and John McDougall have been standouts as well, he said.

In a tournament on Saturday, the team lost to a squad called the "Ops" 5-4 in overtime. Brian Hamm scored two, and Smith and Brian Aida had one goal each.

Things fell Stouffville's way in the second game, as they defeated Peterborough 3-1. Smith, Middleton, and Nauta had single tallies in the win.

The Peterborough game, however, was a rough one and took its toll as the team faced

Friday night, at Uxbridge, the rivalry between these two teams was evident again. Stouffville came out on top with a 4-3 win. Chilvers scored two, including the winner. Sean Wilson and Brian Wilson fired singles.

Against Oshawa Saturday afternoon, the IGA team pumped in five goals to Oshawa's one. Dave Raymer led the goal scorers with two. Singles came from the sticks of Paul Barry, McKenzie, and Chilvers, who also had three assists for a four-point game.
