

When you like something a lot... use it a lot in your decorating scheme of things! That's the way we feel about the use of colonial furniture. Country Casual is warm, it's sturdy, it's fashionable and extremely functional. On these two pages, we've chosen some of our very best sellers in both the maple (light finish) and pine (darker finish) country pieces. No matter which piece or pieces you choose, you can be sure you are receiving the best possible value for your money. The Bay gives you more home to come home to... Beautiful!
