(8-1) "Masterpiece" (—what else could we call it?) Sculptured DuPont® Nylon Shag Broadloom will give your home a unique, contemporary look. It's cut and loop texture gives it a most beautiful appearance. It creates a fashionable look in broadloom that will make a statement for many years to come and perhaps best of all, it requires a minimum of maintenance because it is DuPont® Nylon. One of the few carpets fine enough to wear the DuPont® fashion label. Available in 15 colors from the vibrant greens and blues to the most mute earth tones. Approx. 12' wide. Only, Sq. Yd., 14.99

Plush Nylon Broadloom is ideal for your home. Its textured appearance will add to the beauty of your floors for many years to come and because it's nylon—it requires a minimum of maintenance. Choose from such exciting decorator shades as porcelain blue and camelia pink to the lovely light moss, gold and whipped cream. Approx. 12' wide. Only, Sq. Yd., 8.99

(8-3) Baycrest 100% DuPont® Nylon Mini-Shag Broadloom is hardwearing, moth-proof and a beautiful broadloom for your home or apartment. Its tightly twisted short shag pile provides exciting curly twist texture making it suitable for modern or contemporary room settings. It resists footprints and traffic lanes and because it has a double back—it gives the carpet extra body. Suitable for wall to wall applications or room sized rugs. 14 excellent mottled colors including naturals and exciting brights. Approx. 12' wide. Only, Sq. Yd., 8.99

**The Bay Guarantees . . .**  
**Straight forward Quotations: Price is competitively low, consistent with high quality materials and workmanship. Quotations based on correct yardage with no subsequent "add-on" or extras. No misleading "free-labor" quotation.**

**Quality of Materials: Only first quality broadloom. No seconds or rejects to give you a lower price.**

**Quality of installation: (not included in price) Installation by qualified layers—no inferior short-cut methods used. We guarantee your satisfaction.**
