

Bedrooms are no longer just a place to sleep... they've become a retreat... a kind of studio where you can have private thoughts and moments alone. Put your signature in your decorating. Our Designers Collection has designs on living... your way... our low prices. "Bakuba" Designer Collection of Bed Linens and Accessories are inspired by the Bakuba culture of the Congo. Interpreted by the design works of Bedford-Stuyvesant for Martex. An interesting contemporary look for your bedroom. Lovely earth tones in this unique patchwork design (African motif).
