Calculators no problem at SDSS

STOUFFVILLE
 Pocket calculators are no problem at Stouffville Dist. Secondary School, according to Principal Des McCartney.

He said that some student have them, but there are no regulations regarding their use in the classroom. He said they would not be allowed in examinations where students are only allowed to bring in only pencils, rulers and pens.

Mr. McCartney said that they would be useful in Science and chemistry, and saw no reason why students could not use them to their great advantage over one who can't have them.

The patients, management and staff wish to thank the wonderful people listed below for their thoughtfulness, gifts and visits during the Holiday Season and throughout the year.

Legion Ladies Auxiliary
 Pioneer Girls
 Mrs. R. J. Spencer,
