

Two midget-juvenile house league players square off in a game last Saturday. It was part of the first segment of games in Minor Hockey Week, which continues through this Saturday. Winning the game pictured above were the Lions, who squashed Dave's East End 7-0.

# Staceys finish first in girls' standings

STOUFFVILLE — Stacey Tractor Parts finished well ahead of the pack in league standings after defeating the Kinsmen 4-1 in girls' hockey on Sunday.

Next for the girls teams will be round-robin playoffs. Also last Sunday, the Credit Union and Stouffville Sales Barn played to a 2-2 draw as both teams played excellent hockey making end to end rushes.

Terri Pilkey led the Sales Barn with a goal and an assist. Karen Barry scored the other goal with Kathy McBeth assisting.

Lorraine Sherman kept the Credit Union in the first marker second, assisted by Vicki MacDonald. Karen Cook also received an assist.

In another game, Music 4 Dancing got off to a fast start against the

Lions as Sandy Ramer and Cheryl Singleton scored in the first four minutes of the game. Assists went to Sandra Hinks, Nancy Hutchinson, Heather Dunkeld, and Brenda Steel.

The Lions then settled down and played good hockey, but could not score. With a minute left in the game, they pulled their goalie, and Julie Nigh scored with 32 seconds left. Music 4 got the face-off and hung on to win 2-1.

In the final game, Stacey Tractor Parts took on the Kinsmen. In previous encounters, the Kinsmen had been the only team to keep the Stacey girls in check, with two ties. It appeared they were about to make the upset of the season as Heather Brown scored a goal at the 1:08 mark of the first period. The 1-0 lead stood up until the 16:51 mark of the final period, when Jean Pike tied the game on a pass from Julie Parish. This seemed to upset the Kinsmen as Staceys scored two goals in the

next 26 seconds. Scoring goals were Diane Ermen and Julie Parish, both unassisted. Julie scored her second goal two minutes later assisted by Diane Ermen.

League playoffs start next week in the girls' league. There will be a ten-week round-robin with trophies for first and second place winners.

## SDSS midget team is 5-0

STOUFFVILLE — The Stouffville Dist. Secondary School midget basketball team remains undefeated after demolishing Huron Heights last week 48-34.

The seniors meanwhile polished off Huron Heights 51-44 on a 25-point effort by Bruce Rodin, followed by Jeremy Williamson at eight and Gary Fockler, six. The seniors' record now stands at 3-2.

The juniors were not to be denied either as they took a 44-30 victory over Huron Heights. Mark Wideman had nine

On Saturday, a drawing for tickets to WHA and NHL games will be held.

## Coach penalized

STOUFFVILLE — There's nothing the matter with the midget A's record this season — they've won 23, lost four and tied two. (Three of the losses were league games.)

But their penalty totals in some games have been giving them problems. Coach Bob Bangay is sitting out three weeks now because the team's penalties climbed over the permitted limit.

Part of the trouble appears to be encounters with Port Perry teams — the same place the local juveniles had troubles. Various observers have complained of inept and unfair refereeing there.

Midget A manager David James said of the Port Perry games, "I don't feel it's hockey."

Otherwise, the midgets have done well in league play.

Against Newcastle recently, they won it 5-3.

In a game with Woodbridge on Monday night, however, the midgets lost the exhibition game, 9-3.

Next on the agenda for the midgets is a tournament on Saturday and a league game with Uxbridge on Friday. Playoffs are scheduled to begin Feb. 1.

Lloyd Johnson with eight.

The midgets, who have been averaging 49 points per game, are "really starting to play ball now," said coach Jim Rehill. The Huron Heights game was played mostly by the midget second string.

An important game coming up will be against the midgets top contender, G.W. Williams, on Feb. 5, 3:30 p.m. at SDSS.

## Midget B's

## Close defeat

STOUFFVILLE — In his first game since a year ago when he was out with an ankle injury, Dave Legault scored a goal for the Midget B's against Port Perry recently. Other goals by Brian Lehman, Dave Middleton, and Brian Aida were not enough, however, to overcome the opposition as Stouffville lost 5-4.

The game was lost in the final 30 seconds when according to coach Guy D'Addario, "the club let down and they popped it in."

In exhibition on Friday, Stouffville thumped Ajax 9-5. Middleton, Greg Roy, Owen Herral, Steve Collins, Jeff Burton, Dave Legault, Ken Smith, and Mark Barry had the goals — a true team effort.

## All-star peewee B's

# Find recent competition tough

STOUFFVILLE — While the local Stouffville Credit Union peewee B's have been losing recent games, they have still been playing strong hockey against tough competition.

Although losing in the Iroquois Hockey Tournament in Whitby, 8-3 to Markham and 2-0 to Aurora, goalie Raymond Dart did an outstanding job in holding down opposition scoring. In the Markham game, he was awarded a bronze medal for third most valuable player. Following the loss to

Aurora, Dart was given a gold medal for the top player in the game. Three medals were awarded in each game.

The peewee B's dropped squeakers to Uxbridge in two recent encounters, losing 3-2 and 1-0. In the latter game, Stouffville played their best game of the year, and "played like they really wanted to win," according to coach Claire McGuckin. "It's tough they had to lose," he added. The lone score by Uxbridge came on a fluke goal in the first period.

Stouffville had a winning night on home ice against Newcastle, with goals by Jim Reid, Tony Herold, and Daryl Norton. Tony Leger contributed two assists, and singles were made by Neil Davies, Tom Hunt, Norton and Reid.

Last Saturday, the peewees kept the pressure on Port Perry after being down 2-0, with Mike Mumford making a goal early in the third period. Daryl Norton assisting. With only 20 seconds remaining, Port Perry scored the insurance goal.

Mumford, Leger, and Rod King played strong games for Stouffville, while Tim Jackson handled the net.

## Skate-a-thon omission

In the Tribune's story concerning the Skate-a-thon, held Dec. 28-29 at the Stouffville arena, we failed to mention two youths who completed the full 24-hour circuit and were awarded trophies as well.

They were Keith Brodie and Penny Sidworth.

Our apologies for the omission.

## Bantam A's take loss, tie

STOUFFVILLE — The Don Anderson bantam A's had led against Woodbridge through the entire game on Monday night. The score was 3-2, and nearing the final portion of period three, it looked as if Stouffville would chalk up an exhibition win as part of the Minor Hockey Week series.

Then, three Woodbridge players broke away with the puck, raced to the goal and on a passing play flipped the puck into the goal, tying the game. As the score was made, the clock showed one second remaining.

The fortunes of the bantams were even less encouraging on Jan. 14 in a league contest against Port Perry, as they lost 4-2. Steve Schell and Bob Hughes produced the Stouffville markers, assisted by teammates Steve Middleton, Ross Todd, and Kevin Lawson.

In the Woodbridge game, Stouffville held a 1-0 lead as a result of Steve Schell's goal in the first period.

Part of the trouble appears to be encounters with Port Perry teams — the same place the local juveniles had troubles. Various observers have complained of inept and unfair refereeing there.

Midget A manager David James said of the Port Perry games, "I don't feel it's hockey."

They were Keith Brodie and Penny Sidworth.

Our apologies for the omission.

## Hard play in house games

STOUFFVILLE — In peewee house league last week, Lee Sand and Gravel and Hetherington Electric fought to a 2-2 tie, while Master Feeds controlled their game with a 6-1 win over Apache.

Cedar Beach

outlasted Legion 9-3 when only six members of Legion showed up. Randy Steckley potted four of the goals for Cedar Beach against a tired Legion club.

Grant Carter chalked up six goals for his team when Co-op slaughtered Pine Hill 12-0.

## Volleyball victories

STOUFFVILLE — The SDSS junior and senior girls' volleyball squads have been demonstrating superiority over most of their opposition in recent play.

Although losing to King City last week, the junior team overpowered Aurora Williams, Newmarket and Huron Heights.

The seniors meanwhile came up victors over King City, Aurora Williams, and Huron Heights, but lost to Newmarket.

Games scores for the juniors went as follows: a 15-9 win and 15-8, 16-14 losses to King City; 16-14 and 15-8 losses to Aurora Williams; 15-2 and 16-14 losses to King City.

In a tournament on Thursday, scores were: 15-5, 15-11 wins over Newmarket; 15-7, 15-3 wins over Huron Heights.

Junior coach Diane Baron expressed the desire to play King City again, but those games on January 14 were the last ones scheduled.

## Bill Vanderleest leads in Monday Night Men's

## Atoms meet match, tie Sharon twice

STOUFFVILLE — The Edwards Murphy Painters atom team definitely met their match last week. In two games within two days, the atoms ended with two ties against the club from Sharron.

On Saturday however, the atoms rolled over Oak Ridges 5-0.

All games last week were played in exhibition. Against Sharon on Friday night, Stouffville outshot their opponents by better than two-to-one, but faced a Sharon goalie who refused to give up a single goal. Final score was a 0-0 stalemate.

The Painters had better luck with the Oak Ridges goaltender the following morning. Early in the first period, Norm Wideman opened

the scoring on passes from linemates Dale Leger and David Mehaffey. Wideman scored his second goal on a picture perfect pass from team captain Mehaffey.

Tim Yeomans, Bryan Todd, and Kevin Bartley had the other Stouffville goals, with Barry Smith, Bradley Jones, and Norm Wideman picking up assists.

On Sunday, Sharon came to the Stouffville arena where they battled the atoms to a 2-2 tie.

Stouffville scored the first two goals, but Sharon fought back, finally making a second tally with only 29 seconds remaining.

Mehaffey and Leger had the Stouffville goals, as well as each making single assists. Bartley had the other assists.

## Past athletes were in the winter games

STOUFFVILLE — Bruce Rodin is competing in the Ontario Winter Games on the volleyball team. The Tribune reported last week that he was the first local athlete to compete in the games, but later learned that that was not correct.

Keith and Kevin Acton of Burkholder St. participated in 1970 in speedskating competition.

## Four goals bring win for local novice team

STOUFFVILLE — Four all-star novice players were responsible for the scoring in a 4-1 victory over Uxbridge Friday. Robby Milwain, Timmy McNeil, and Mike Anderson each had a goal and an assist, while John Paras had a goal.

The next evening, Stouffville dropped a game 4-0 to Whitby, then tied Newcastle 4-4 on Sunday. Mike Feasby and Anderson's had single goals, while Milwain had two in that contest.
