'Toshiba' 20" solid-state portable color TV with detachable console cabinet

\$568

Model CC 500, each

Now... the elegance of a console combined with the convenience of a portable; in a neat, compact size. Just one of the great ideas featured in Simpsons' Showcase of Sight & Sound. The 'Toshiba' portable color TV (=C940) lifts right out of the cabinet to go wherever you want it to. And what a striking cabinet - contemporary in style, with wipe-clean walnut finish, plus pedestal base trimmed with chrome and high-impact black vinyl; about 25"x29"x14 3/4". You'll really like the lift-out TV inside as well: 100% solid-state chassis with 7 integrated circuits gives you cool, dependable performance and easy serviceability. 'Briteron' high-contrast picture tube means sharp, bright pictures. 'Tomatic' 1-button color-tint balancing. Automatic fine tuning -with channel-to-channel "memory" capability on VHF. 90-position click-in UHF antenna; loop UHF antenna. Lots to like about this set. Including a 2-year picture tube warranty and 1 year's unlimited home service in Simpsons service area. Phone 861-8111 now!
