

The ultimate guide for "Colonial" shoppers.

1. First thing. Drop into Living Lighting. Browse around...and discover a remarkable selection of lamps, fixtures and clocks that will add a cheery touch to your Colonial setting. Lovely hand-decorated Colonial hurricane lamps; delicate and appealing hand-blown glass pieces, accented with rich antique brass castings.

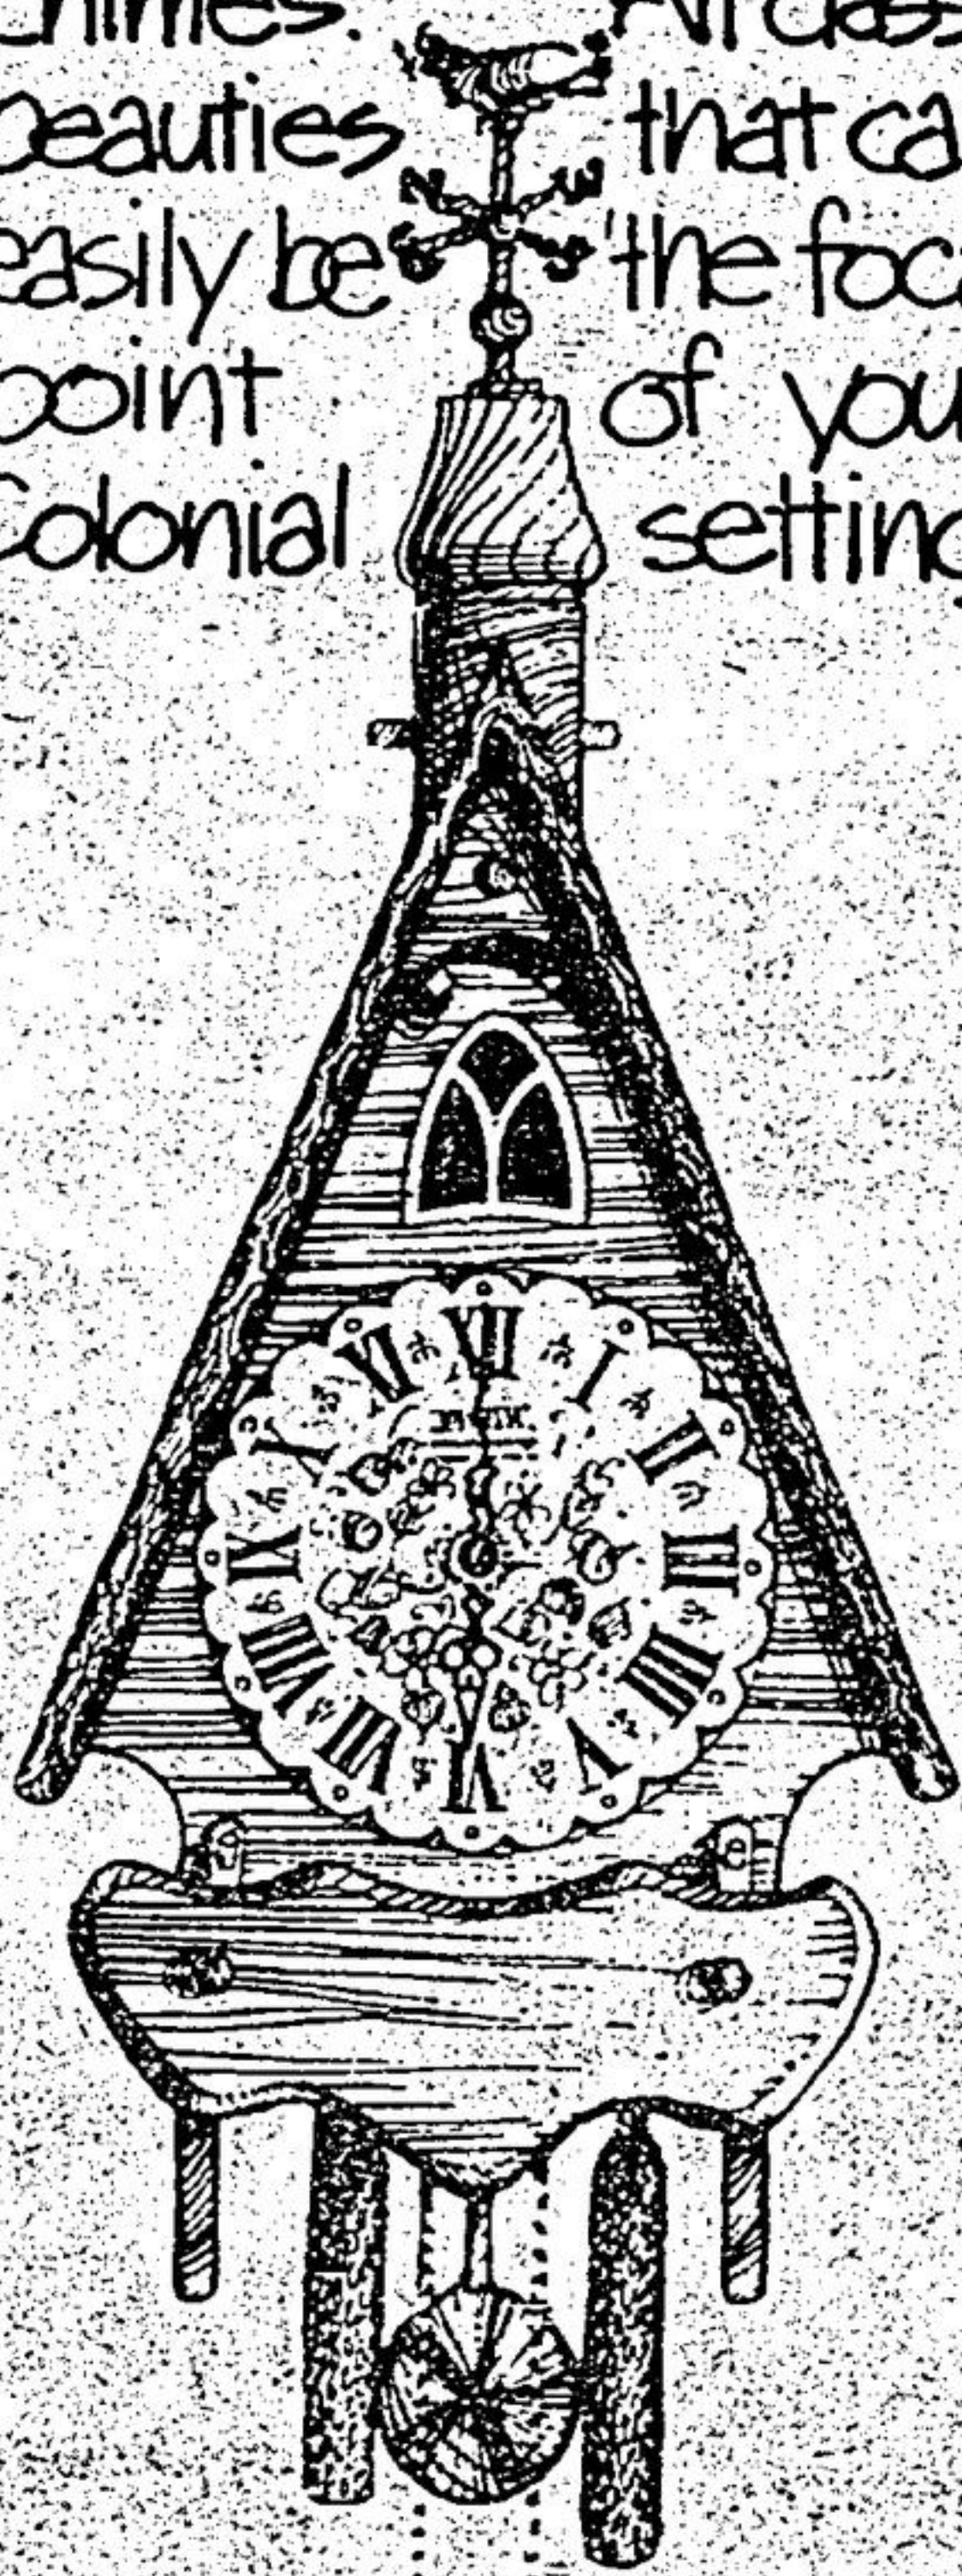

\$53.98

\$32.98

Natural "smoke" finished Solid Rock Maple lamps topped off with delicate glass or soft fabric shades in warm earthy colours. And Tiffanies too... in your choice of solids, pretty prints or colourful fruit designs.

2. Then, you'll be intrigued by the quantity and quality of our beautiful Pine clocks... from petite kitchen models to "Grandfather" clocks with full Westminster chimes. All classic beauties that can easily be the focal point of your Colonial setting.

\$169.98

We also have a charming assortment of rural prints and accessories to accent your decor.

3. You'll like our people too. They're friendly, courteous and helpful people, with a keen eye

Renata for design and colour. People who will take

Paul an interest in your decorating plans. Come in to see us

Bryan

George Our people and selection will please you. And so will our prices.
