Storm disrupts activities

By ANNE LONEY
The Baptist Church Sunday School Pot Luck supper, announced in The Tribune last Thursday, was cancelled on account of the storm. It will be held in the Sunday School room Friday, April 11 at 6:30 p.m. Everyone is welcome and the sponsors will appreciate a good crowd for a very needy cause.

The storm, also, prevented the Senior Citizens from holding their meeting Thursday,

April 3. The next meeting will be held Thursday, April 17, at 1:30 p.m. Members who sold tickets on the quilt are asked to bring in any outstanding proceeds.

The Morning Unit of the UCW will be held at the home of Mrs. Roy Timms Monday, April 14, at 9:30 a.m. The roll call will be "A Housekeeping Hint." Mrs. Timms will be in charge of the program and the devotional.

The Women's Institute will meet at the home of Mrs. Frank Carson Wednesday, April 16, for a Pot Luncheon at 12:30 noon. The roll call will be a reading on "Smiles."

Sunday dinner guests of Mr. and Mrs. Bert Stiphout were their daughter, Jeanette, and husband Brian Clarry of Scarborough, Mr. and Mrs. John Van de Elsen and Karen and Marianne of Whitby.

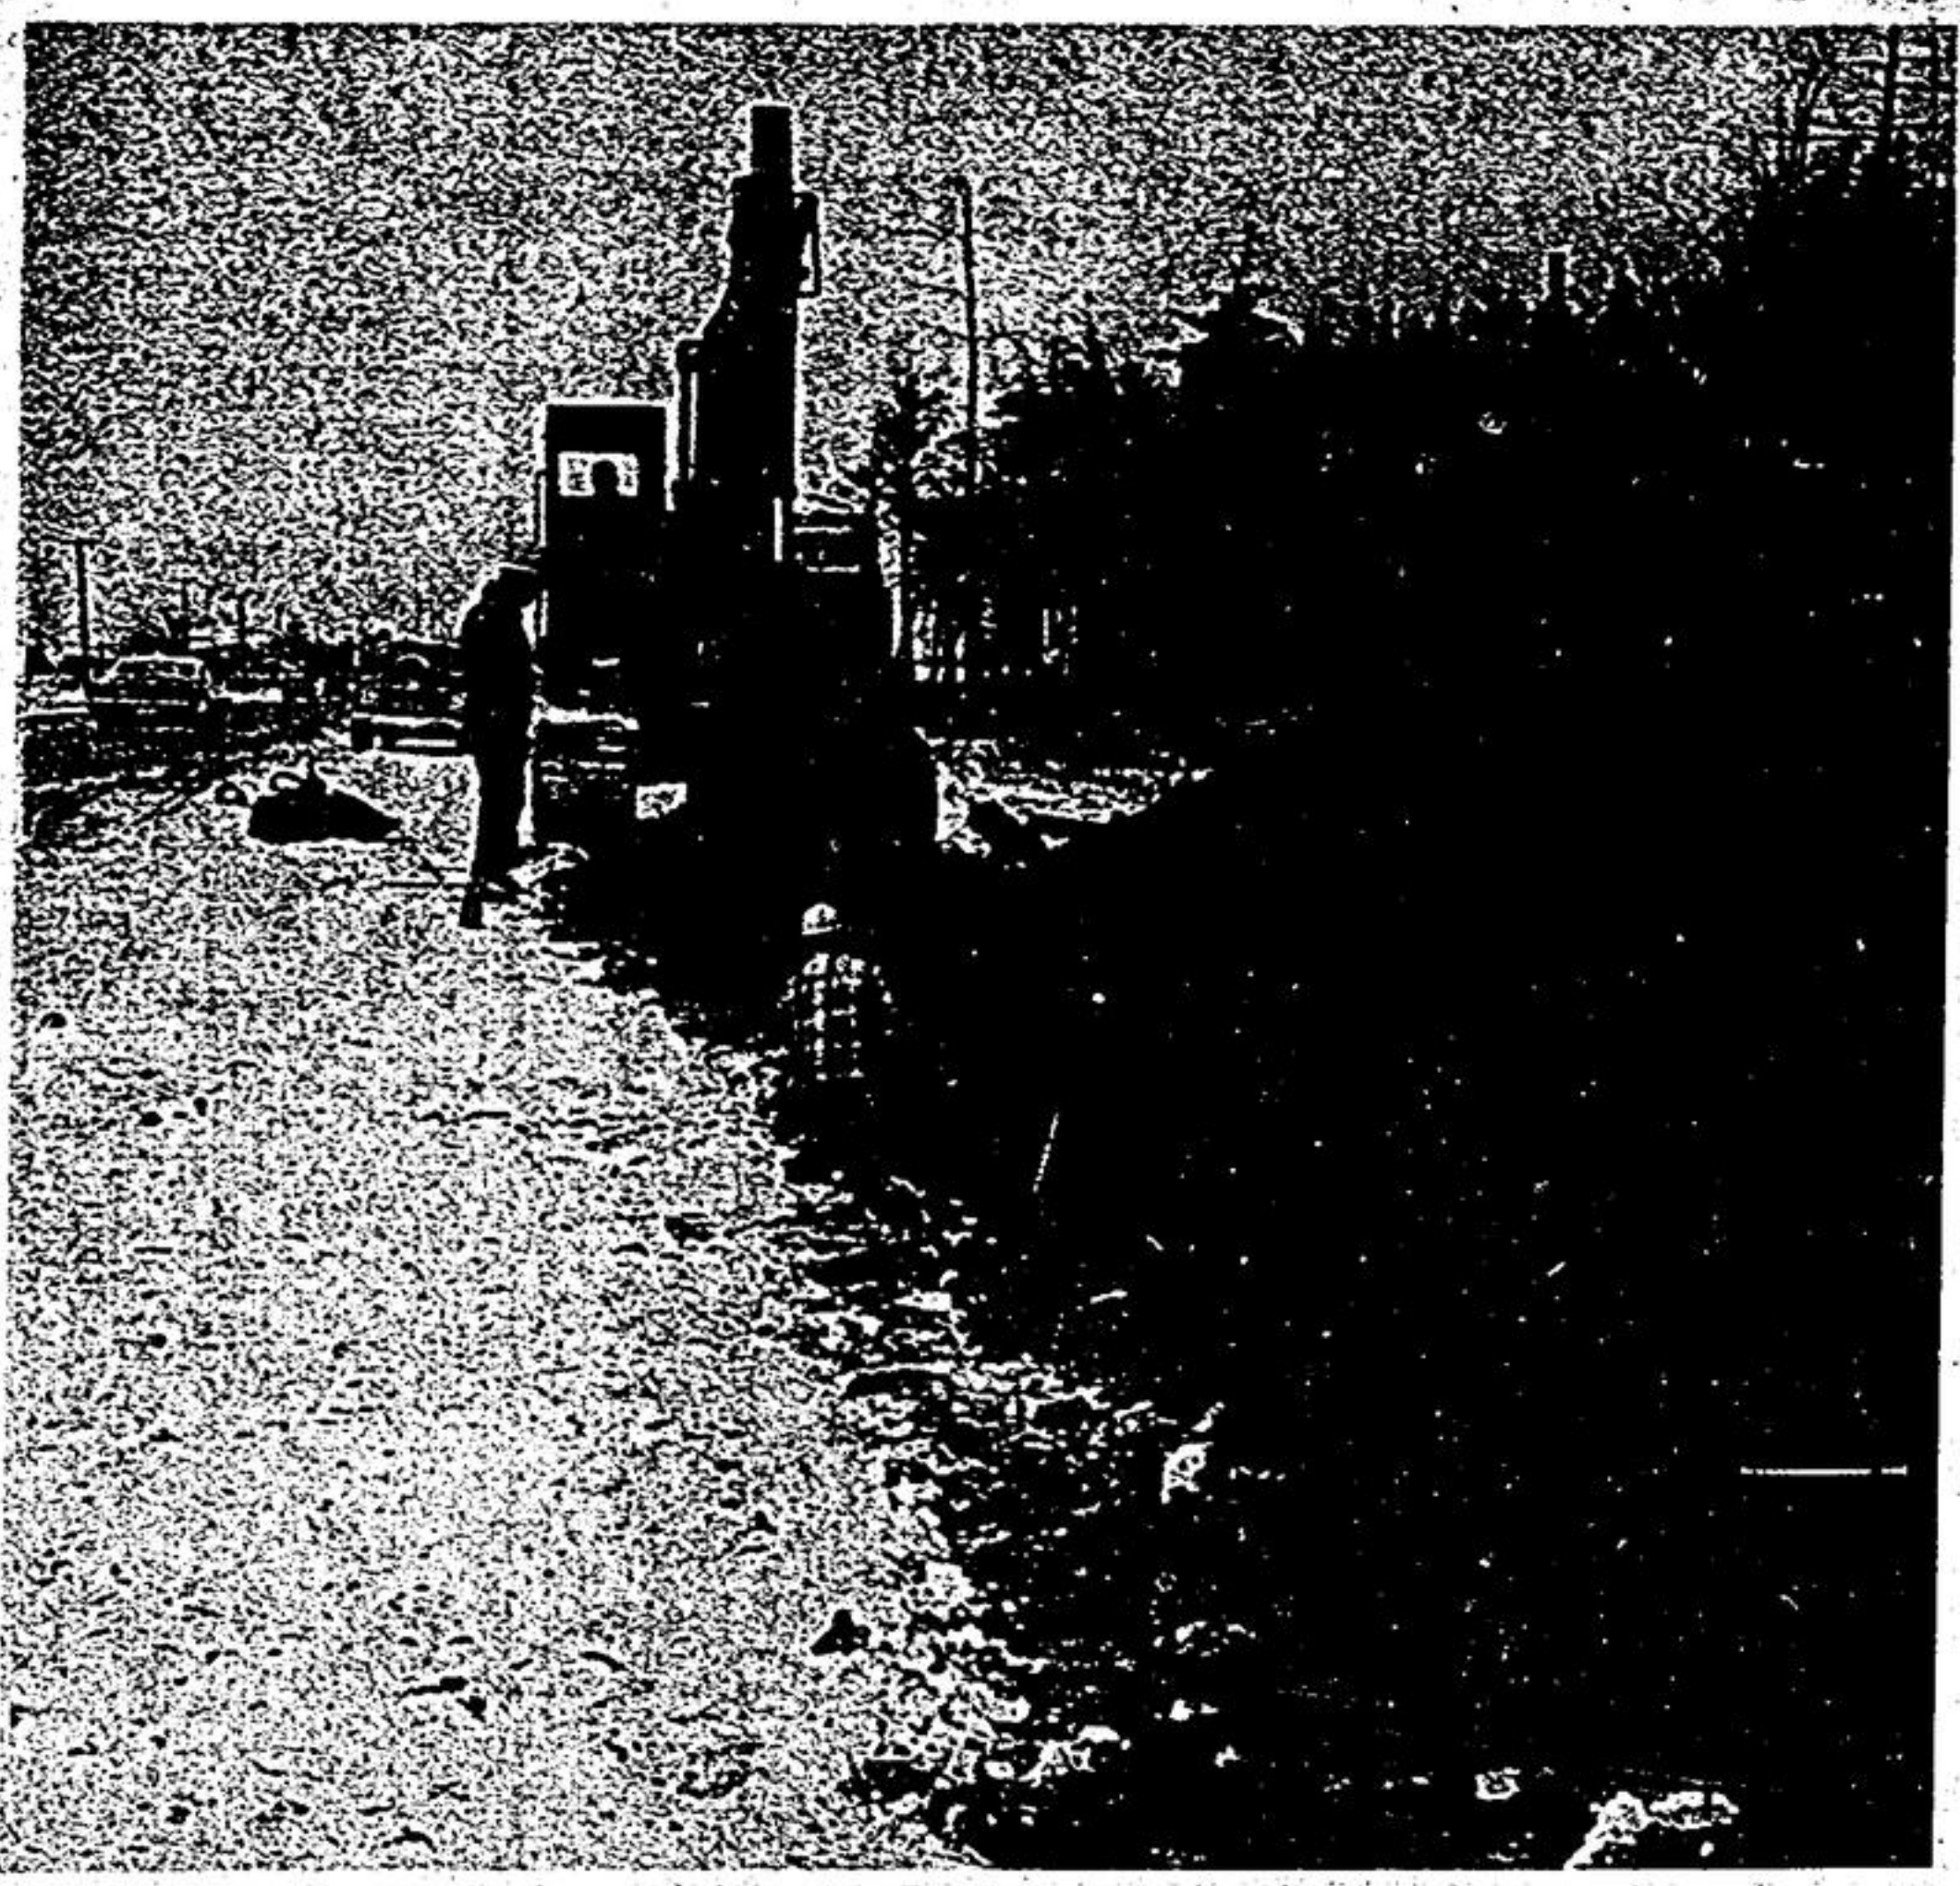

Holidaying in Florida were Mr. and Mrs. Dick Cooper who visited at Port Charlotte on the Gulf of Mexico and Daytona Beach on the Atlantic Ocean. On their way home they stayed for a day in New York City.

Tracey Nesbitt, daughter of Mr. and Mrs. Paul Nesbitt, blew out eight candles on her birthday cake at a party in her parent's home Saturday, April 5. The storm held things up a bit, preventing invited guests Karen Carson, Kerri Sellers and Leslie Shaddock from attending. But the ones who could make it had a happy time; they were Darlene Redshaw, Wendy Bates, Kristin McNish, aunts and uncles, Mr. and Mrs. Al Robertson, Mr. and Mrs. Lloyd Pascoe and Tracey's brother, Todd. The highlight of the afternoon was a phone call from her aunt, Mrs. Roger Brown of Washington, D.C., wishing her many happy returns.

Kathy Avery is home after a wonderful trip. She and her sister and brother-in-law, Mr. and Mrs. Peter Hoogwerf of Colborne, and their children, Kim and Tim, with a car and a trailer made a three-weeks tour of the Atlantic coast and the Gulf of Mexico.

Mr. and Mrs. George Constable of Newmarket were Sunday guests at the home of Mr. and Mrs. Al Robertson.

Kindly people as they are, the Robertsons opened their home to Mrs. Doris Mason of Port Perry who was stranded Thursday in Claremont Railway station. Mrs. Mason had come by train from Toronto to find that her parked car was tied up by the storm. She was welcomed by the Robertsons and stayed with them until Friday evening when she was taken home by snowmobile.

Watermain progressing

Work had been progressing well on a watermain extension in Stouffville's west end before last week's severe storm. The main is

to serve Country Ready Mix which needs more water for its expanding operation on Main St. West. Ted Wilcox

Gormley news

Former residents celebrate 67th wedding anniversary

By Evelyn Milsted
GORMLEY — Congratulations to Mr. and Mrs. Sam Doner who will be married 67 years on April 15. The Doners were life-long residents of Gormley until, because of ill health, they entered Green Gables Nursing Home. They have since

moved to Parkview Home in Stouffville. Mr. and Mrs. Doner served the Gormley community for many years in their General Store and Mr. Doner was postmaster. Mr. and Mrs. Leslie Cover and five children of San Francisco, California, visited her

parents, Mr. and Mrs. Amos Baker of Maple. Mr. Cover spoke at the Wednesday evening service at Heise Hill Church.

A number of local people went to Toronto Wednesday to see the completion of the C.N. Tower.

Congratulations to Colleen Farmer who graduated from St. Michael's Hospital R.N.A. course on Friday afternoon. Graduation exercises were held in St. Michael's Cathedral in Toronto.

Mr. and Mrs. Peter Martin and Ed Martin of Englehart spent a few days with Mr. and Mrs. Paul Farmer and attended Colleen's graduation exercises. Miss Farmer began nursing at York Central Hospital, Richmond Hill, April 7.

Mr. and Mrs. Paul Farmer, Colleen and Pat Boynton spent Easter week-end at South River. They also visited their brother-in-law and sister Mr. and Mrs. Andrew Hutchinson who have recently moved to Sun-ridge.

Congratulations to Mr. and Mrs. Ken Rydzik who welcomed twin girls on "stormy" Friday night at York Central Hospital, Richmond Hill, sisters for little Kevin.

Mrs. Fred Harris and Dorothy enjoyed a week's holiday with Mr. and Mrs. Don Weeks and family (former Gormley residents) now living in Dartmouth, Nova Scotia.

Mrs. Donald Dickinson has spent several weeks in York Central Hospital, having a plate put in her leg; a result of the car accident she was in last November.

Donald Dickinson was taken to York Central Hospital, by ambulance Monday, where he underwent tests and x-rays, and he was then released on the week-end.

Michael Wright is recovering from mumps. Emma Bovair of Woodville has been visiting her son-in-law and daughter, Mr. and Mrs. Lawrence Boynton and family.

The severe storm Thursday closed some of the local schools and others were dismissed early. As the storm continued on Friday our community was almost paralyzed as many roads were closed, schools remained closed and no mail arrived at the post office. During the storm there were minor accidents and many cars stuck all over. After a very mild winter Mother Nature had to give us an unprecedented real old fashioned snow storm in April!

Mr. and Mrs. Warren Reaman placed flowers in the Missionary Church on Sunday in memory of her brother, Allan Smith.

Mrs. Joseph Wideman has been visiting her son-in-law and daughter, Mr. and Mrs. Neale Sider and family Wainfleet.

The Ensemble from Niagara Christian College at Port Erie sang in the Sunday morning service at Heise Hill Church.

A cordial invitation is extended to neighbors and friends to attend a miscellaneous shower for Linda Sider and Ronald Heisey on Saturday, April 19, at 8 p.m. at the Victoria Square Community Centre.
