**Still active at 90**

STOUFFVILLE — Mrs. Harold Baldwin still takes pleasure in watching television and reading the newspaper. She celebrated her 90th birthday Thursday at her Fairview Ave. home.

Mrs. Baldwin was born on May 1, 1885, the second daughter of Mr. and Mrs. Archibald Coulson of York Township, now known as Victoria Park. She was born in the log house which had to be demolished because it was too old to move to Pioneer Village.

Mrs. Baldwin still talks of her childhood and the trips on Sunday by horse and wagon to attend Knox Presbyterian Church in Agincourt.

She married Harold Baldwin and the couple celebrated their 60th anniversary in 1968. He predeceased her in 1971. Her daughter and son-in-law Mr. and Mrs. Chester Bassford live with her and a son Archie and his family live in the Stouffville area. She also has two grandchildren.

With her to celebrate her birthday Thursday were her three sisters — Janet Coulson, Mrs. Isobel Oldham and Gertrude Peters.

Although confined to a wheel chair, Mrs. Baldwin is very alert and has a very good memory of past and present day events. She reads the newspaper and enjoys watching television. Her main interests include sports, news and politics.

Mrs. Harold Baldwin celebrated her 90th birthday last week and a large birthday cake was one of her presents. **Dcn Bernard**

**Extinction promised for many**

Dear Sir: Unfortunately, south Vietnam has fallen into the merciless grip of those who seek not only conquest but enslavement and reprisal, and this means extinction for vast members of innocent people. Although it was invaded by unprovoked aggression, South Vietnam has as much right to live unmolested as Canada.

**Does this town exist in Ottawa?**

Dear Sir: Does Stouffville not exist for the Federal government?

Recently we were told by Prime Minister Trudeau that "some 2,000" people would be affected by the Pickering airport. This obviously

**A word of appreciation**

Dear Sir: On behalf of the Save Stouffville Committee, I would like to commend you and The Tribune for your coverage of the Pickering Airport issue.

Your coverage of this matter of great public concern has been fair, equitable and balanced. The Tribune has fulfilled its mandate as a channel of communication to the residents of Stouffville admirably.

We have not always agreed with the coverage of this issue; however

Stouffville, last Saturday afternoon.

These three young people, I believe live in the neighborhood of Stouffville. They would take nothing for their trouble, just laughingly saying that getting cars out of the mud was their hobby.

Needless to say my impressions of the youth of Stouffville are justifiably high.

**Plaza eyesore painful**

Dear Sir: For the last few months I've been driving past an inexcusable eyesore in our otherwise pretty little town. I'm referring to the Recreation Complex scoreboard on the north side of Main St. near the Brewers Retail store.

Surely our city fathers have also noticed this messy blot on the roadside. It looks like a few 3 year old kids were given a paintbrush and told to make a mess. And they succeeded on each side.

And while I'm on the subject, isn't this a good time of the year for each of us to clean up the winter's deposits around our property, whether it's where we live or work. It's just a matter of having a little pride about our town.
