

At minor hockey meeting

Junior teams okayed

STOUFFVILLE — Among other business, the junior house league, it was learned, is to encompass the ages 16 to 21 and will be convened by Earl Crowder.

As for the new executive elected by the W.S.M.H.A., the new posts are as follows: president, John Wilson; vice-president and equipment manager, Russ Holder; secretary, Jack Watson; referee-in-chief, Dave Bourne; atom convener, Jack Greenshields; bantam convener, Bob Dart; pee-wee convener, John Hutchinson; treasurer, Ed Grimshaw; junior house league convener, Earl Crowder; past president in charge of convener trophies, O.H.A. Harry Bowers; and O.M.H.A. convener, Eldon Wagg.

The motion that coaches and managers be informed as to the association's philosophy of sport was passed after Will Morley expressed concern over "the conduct of some of the

parents and coaches" this season.

Morley was concerned that "we've lost a lot of the fun" of hockey, but I don't think we need to win at all costs."

He added that he wasn't saying that it was an "out" of control situation, but only that he "did see traces of it breaking loose."

Another organization member, Dave Bass, commented that he had "never been in a community that has what I call the true philosophy of minor hockey that Stouffville has." He felt that "a lot of the credit goes to the refs." Mr. Bass's involvement was

with atom, novice and pee-wee house league, he said.

In the view of OHA representative Ed Grimshaw, the executive "had a bit of a bad scene" this year, but not in the house leagues.

Social insurance

Another item brought up was that in order to play in OMHA hockey next fall, a player must possess a Canada social insurance number. The new system of identification will be tried out in the fall when they register.

Arrangements have been made for obtaining social insurance forms; executive member Eldon Wagg told the group.

points) Strong tackling by Brian Moffat and Tony Bianchi along with determined play by scrum-half Bob Bowdway kept the Spartans in control.

The intermediate Spartans thru dumped their Markham counter parts 20-14. Scoring was by Jeff "Weasel" Williams with two tries

and two converts and Steve Schell with two tries.

In the final contest the senior team emerged with another hard-fought victory winning 16-4.

Bruce Rodin led the team with two tries while Tony Bianchi had one. Alex Bouchard was good on two of three converts.

On Monday, the two

Apology over meeting omission

The Tribune apologizes for failing to announce the annual meeting of the Whitchurch-Stouffville Minor Hockey Association before it was held on May 16. The omission was due to a communication failure at The Tribune.

At SDSS field day

Girl in grade 8 sets jump record

STOUFFVILLE — A grade 8 girl at Stouffville Dist. Secondary School set a new school record in the high jump at the SDSS field day last week, and had the best jump in any division, boys or girls.

The height managed by Judy Sackfield was five feet, nine inches.

Other records fell as well, including the following: John Christie, in both the midget/long jump and high jump; Lloyd Johnson in midget high jump; and Duncan Manser in the midget mile. John MacDougall tied the junior 100-metre record.

The individual champions, calculated before adding in a few final events, were as follows: grade 8 boys, Indie Persaud; grade 8 girls, Judy Sackfield; midget boys, John Christie and Lloyd Johnson; midget girls, Kitty Cashman; junior boys, Matt Crane; midget girls, Jennifer Smith; senior boys, Mike Bray; senior girls, Heather Glenn.

The total listing of first place winners in the various events are as follows:

Midget girls: High jump, Livia Perrin; long jump, Shelley Smith; 60 yards, Pat Newman; 100 yards, Pat Newman; 220 yards, Kitty Cashman; 440 yards, Kitty Cashman; 880 yards, Karen Brown; discus, Joanne Petersen; shot put, Madeline Kamps.

Senior girls: High jump, Heather Glenn; discus, Heather Glenn; 60 yard, Heather Glenn; 100 yard, Heather Glenn.

Grade 8 girls: High jump, Judy Sackfield.

Use hot water wisely Save energy... Save money

Apart from home heating, a family usually consumes the most energy in producing hot water. Here are just a few small things you can do that can add up to a considerable energy saving. Turn off hot water taps so they don't drip, fill clothes washers to match the size of the load, wait until you have a full load before using a dishwasher and remember showers usually require less hot water than baths. Try not to use more hot water than you need.

Cascade The Cascade electric water heater will give you a dependable supply of hot water, but it's up to you to use it wisely.
