**RADIALS—THE GREATEST**  
That's what Radial fans say! They know their money buys safety, long mileage, high performance and gas economy. If all this means more to you than low price, then Radials could be right for you. True, they cost more but users say they deliver more!

*Compare Canadian Tire Radial prices and you'll find them considerably less than elsewhere!*

If you find immediately after buying and trying our Radials, they don't perform as expected, return them to the store of purchase for refund (service charges excluded). Check for trial-offer terms when you buy.

**Contender-for smooth 'no-thump' starts!**

Built like tires on 1965 to '69 new cars, except that Contender has 4 plies of Polyester instead of 2 plies. More stability, less tread-squirm, longer tread-life!

5-Year Road-Hazard Insured
