# Sudden death community's loss

By ANNE LONEY  
CLAREMONT — The Village was shocked last week at the death of a well known and very popular resident, Ilean Ruth Whitney, who died in Centenary Hospital, Monday, May 26. She collapsed at her home and passed away from cardiac arrest in half an hour after arriving at the hospital.

Mrs. Whitney was an outgoing person, full of fun, and always ready to help when needed. She was in charge of one of the school buses, trans-

porting the children to school and to their swimming lessons. In fact, she took swimming lessons, herself, so that she could join her charges. Her popularity was in evidence at her funeral; there were tear stained young faces, and many older ones.

Forty members of the Claremont Legion Ladies Auxiliary, Branch No. 483, in full uniform, conducted a Memorial Service at 10:15 a.m. Thursday, May 29, in the McEachnie Funeral Home in Pickering. Mrs. Whitney was an active member of the Auxiliary. Zone Commander, Audrey Bate of Bowmanville, was in charge of the service.

Surviving is her husband, Ross; two daughters, Jackie, (Mrs. Udell of Oshawa); Lynn at home; and her beloved daughter-in-law, Judy, (Mrs. Wayne Whitney), and two sons, Wayne of Oshawa and Jamie at home. There are also four grandchildren, Marty Udell and Cheri, Christopher and Clayton Whitney.

A close friend of the family, the Rev. Arnold Herbert of St. Johns Norway, Toronto, officiated at the funeral service at 11 a.m. Thursday, May 29, in the McEachnie Chapel. Pallbearers were Reg Whitney, Jerry Clemence, Max Waye, Billy Carruthers, George

McKenzie and Dave Collett. Interment was in Claremont Union Cemetery.

The Morning Unit of the U.C.W. will meet at the home of Mrs. Ellis Britton Monday, June 9, at 9:30. Mrs. Earl Anderson will be in charge of the program. The Roll Call is "A Travelling Hint."

After a week at home with her parents, Marion Britton from Waterloo University has taken a position with a firm of Chartered Accountants in Owen Sound and is staying with Mr. and Mrs. Kent Milroy in Port Elgin. Remember them, the very nice young couple who were

residents here for a number of years? Also home is Dorell Britton from the University of Western Ontario and is now working with the IBM in Don Mills.

Last week Mr. and Mrs. Russell Hodgson opened their cottage at Canal Lake for the summer months. With them was son, Doug, and friend Therese Stevens, and daughter and son-in-law, Mr. and Mrs. Ted Robertson of Bowmanville.

Congratulations to Lion Les Parker who won the award for the Best Bulletin Editor in the call of 39 members, and under, for District A12. Also to Lion Earle Pilkey who

received a plaque in recognition of his work on the Governor's Council regarding International Youth Exchange.

We regret the omission of Lion John and Lionette Betty Noble's names from the list of those attending the Lions International Convention in Hamilton on May 24-27.

Mr. and Mrs. Earle Pilkey took two full bus loads, one of senior citizens, and one from Claremont Nursing Home, to the very successful show put on by the Pickering Lions.

Don't forget Saturday, June 7; its Walkathon Day. A well attended turnout will work wonders.

John Finlay has been appointed by the Ontario Ministry of Agriculture and Food to the position of Assistant Agricultural Representative for Ontario County, where he will work out of the Uxbridge Office. Mr. Finlay is a 1975 graduate in Agricultural Economics from the University of Guelph, and has a farm background in Northumberland County. He has taken part in 4-H programs at the County level, and at a number of Regional events.

## Mayor says taxes up \$49 in Pickering

PICKERING — The average Pickering taxpayer will pay \$49 more in taxes next year, according to information released by Mayor George Ashe last week.

The mayor said he was pleased with the size of the increase since earlier in the year they had anticipated a raise of about \$100. Comparison figures were based on a \$20,000 assessment.

The net regional levy will be up 12 per cent, while education taxes will rise 19 per cent from

the 1974 rate. According to Mr. Ashe, part of the relatively small increase in regional taxes is due to the taxable land tied up in the North Pickering and airport project properties. For those areas, the town is receiving "grants in lieu" of taxes.

One aspect that will remain the same as last year are municipal expenditures.

Levy by-laws for 1975 were passed by council after the executive committee meeting last week.
