

SAFETY WEEK

It's Habit Forming

Make safety a daily routine! Keep all possible danger areas in check. Maintaining a safe farm should be your primary concern every day of your life! Start now!

Alertness! Think Safety!

Alert At All Times! lurk in the most un-ces, so beware!

Before spending your hard-earned money on a new tractor, spend some of ours

CHALLENGE A DEERE

36-HP 920
45-HP 1120
57-HP 1830
66-HP 2130

Nothing separates the exceptional tractor from so-so tractors better than a field test on your farm. So call us to bring out a 920, 1120, 1830, or 2130 for your challenge. Now, we won't bring out a "Super-equipped" tractor—and then have to cut features to deliver at an acceptable price. Because all these are standard: diesel engine, 8-speed transmission, PTO, hitch, diff lock, hydraulic brakes, and more. So, be our guest. Challenge a Deere soon.
