Small acts of kindness save birds

BY ANNE LONEY CLAREMONT — When he gave me a few interesting notes over the weekend, Naturalist Edgerton Pegg said: "Knowing something of the danger that faces wild birds at nesting time, I am pleased to hear from people who make an effort to save them." A note of appreciation goes to Paul Thomas of Stouffville who rescued a family of young Killdeer when they became trapped in a crevice. When young Cliff

Swallows fell out of their nest on his barn, Arthur Horne of Claremont put them in a berry box and nailed it beside the original nest, after the adult birds built a roof over the berry box and the young survived. While cutting hay, Alvin Grey, who lives north of Green River, suddenly came upon a Marsh Hawk's nest with four young in it. Alvin backed up his tractor and left a patch of hay around the nest for cover. Because of

his thoughtfulness these beneficial birds were saved. In this world of turmoil and violence it is heart warming to realize that there are some who take time from their busy day to help and care for God's little creatures. Mr. and Mrs. Dean Evans and Brad, Tim and Deanna have returned from a motor trip to Northern Ontario. Don't forget tomorrow's social evening in the Legion Hall at 8 p.m. There will

be games, and a selection of prizes, plus share the Wealth. Everyone is welcome. Mr. and Mrs. Jack Middleton of Toronto have been spending several weeks at Mr. and Mrs. Paul Lake's Wenrick Cottage on Brady's Lake in Haliburton. Over the long weekend they were joined by Mr. and Mrs. Lake and Wendy and Ricky. A highlight of the holiday was the wedding and reception of Mrs. Lake's nephew, David Nelson

and Loni Mueller of Toronto, which was held in David's own cottage. Other members of Mrs. Lake's family also have cottages on the lake. Over the weekend Mr. and Mrs. Howard Hockley welcomed back their daughter and son-in-law, Mr. and Mrs. Robert Braithwaite of Ajax, who have just returned from a five weeks holiday in England and Scotland where they visited with some of their relatives. Mr. and Mrs. Norris Hardy spent several days

on a motor trip which took them to Midland, Collingwood and Wasaga Beach. They were accompanied by their son and daughter-in-law, Mr. and Mrs. Grant Hardy, and daughters Donna and Debbie of Oshawa.

Linda Vernon and sister Kathy have returned from a few days at Wasaga Beach. Mr. and Mrs. Larry Vernon and Denny and Jimmy are home after a holiday at Golden Lake.

This jail really is the cooler

YORK REGION — Prisoners who come from the Don Jail in Toronto for appearances at the old Newmarket Court house, must find the change in temperature very trying during the hot dog days which have been prevalent lately.

According to Crown Attorney Bill Gorewich, the jail is air conditioned. The crown attorney passed that news on to Provincial Judge Clare Morrison last week, and

the judge who has been sitting in the old court room while temperatures soared to unhealthy heights, was less than amused.

"I hear they have air conditioning at the Don Jail now," said a per-spining Crown Attorney to the judge. "Maybe we should hold hearings down there then," replied an equally uncomfortable Judge Morrison. "Maybe we can get a room for the night."

MOTORISTS — FIGHT BACK AGAINST HIGH GASOLINE PRICES. How does the average motorist fight the recent 10¢ per gallon extra tax on gasoline? One way is to buy less of it. But there is another way. We have letters from drivers who have used Molyalip "E" in their cars and who claim anywhere from 5% to 25% greater gas mileage. Molyalip "E" is not an oil treatment; it's an engine improver, even though you add it to your oil. It reduces friction; it reduces engine heat; and best of all it reduces gasoline consumption. You can get Molyalip "E" at Canadian Tire Stores or other leading automotive centres. One treatment with Molyalip "E" will last 6,000 miles, even through oil changes. Then if you haven't increased gas mileage with Molyalip "E", mail your proof of purchase to Molyalip (Canada) Inc., 705 Progress Avenue, Unit 57, Scarborough Ont. M1H 2X1, and we will refund your money. Could any offer be fairer than that?

Charged youth takes trial by judge, jury

STOUFFVILLE — A young Stouffville area youth charged with break and entry of two homes in the Stouffville area, elected trial by judge and jury when he appeared before Provincial Judge

Clare Morrison in Newmarket Court last week.

Perry Edward Brown agreed to waive evidence in a preliminary hearing on the two charges and was committed to a Toronto court for trial in the fall.

Correct wording of story

STOUFFVILLE — A story on the front page of last week's Tribune may have created the wrong impression.

It concerned an accident at the Stouffville Sales Barn, where an Uxbridge teenager Teresa Nilsson was kicked in the face by a horse. The story implied that the girl startled the horse. There is no evidence to suggest that her action startled the animal.

The Tribune regrets that a misunderstanding could result from the wording of the story.
