## Bay Ridges Kinsmen Club invites new memberships

Kinsmen Clubs were founded in 1920 in the City of Hamilton, Ontario. This all Canadian service club was formed with the motto, "Serving the communities' greatest needs". To this day, Kinsmen across this land are serving their communities in building parks, arenas, medical facilities for the handicapped, serving on blood donor drives, running parades for the public and many other numerous functions, too numerous to complete on the little space provided here.

Kinsmen raise their funds by putting on bingo, dances, parades, bike-a-thons, Monte Carlo nights, etc., etc., etc.

The clubs by-laws state that a general meeting must be held twice monthly.

So the club can properly transact its business, the Kinsmen Club of Bay Ridges holds their meetings on the 1st & 3rd Tuesday of each month.

Since no club can be run on all work and no play the Kinsmen hold their own fellowship functions. These functions can be at four levels in the Kin structure: club level, zone level, district level and national level. There are over 15,000 Kinsmen across Canada so you can see there is quite a bit of fellowship.

Since this is a young man's club, and if after you have read and digested what a club like this might have to offer you, you might consider calling one of our members for further information:

Numbers to call —  
Jim Nicholson, Membership Chairman — 839-1271

Gord Tirebuck, President — 839-3823  
The best age for involvement is in minimum age 21 to 33 age group. This club's members are all married and yes we do have a female affiliate, namely, the Kinette Club of Bay Ridges.

We leave you with the consideration of helping your fellow man to better enjoyment of his local surroundings and better health.

Sincerely

Jim Nicholson  
Membership Chairman
