# Here's Johnny!

"There's something about a vest that makes you look and feel a little more dressed-up. Trimmer. Slimmer. That's why I like this suit from my new fall collection. And I like the suiting: the bracing fall colors and the way it stays unrumped. It's a Dacron\* polyester-texturized fabric by Klopman\*"

COAT, VEST and PANT \$180.00
