THE REAL ALTERNATIVE

Bob Lewis

AND THE

N.D.P.

IN YORK NORTH

IN ONTARIO

Bob Lewis and the N.D.P. are an active and reasonable alternative to York North voters.

Bob Lewis has been a tireless worker for conservation in Whitchurch-Stouffville. He is dedicated to preserving our community character.

Bob Lewis will prevent York Region from becoming the bedroom, highway, and garbage dump of Metro.

Bob Lewis came second in the last election. He is the only realistic alternative to 4 more years of Tory rule.

When Bob wins, so will York North!

The Conservative government has given us chaos instead of planning. Ontario is big enough to provide new housing without wasting prime farmland.

The Conservative future is that of asphalt from Lake Ontario to Lake Simcoe. The N.D.P. offers controlled and reasonable growth.

The Conservatives reduced the sales tax; they gave money to new home buyers; they got rid of the sales tax on new cars. But all of these will end after the election! For lasting reforms, vote N.D.P.

While the Liberals argued among themselves in Parliament, Stephen Lewis and the N.D.P. have been the real opposition, with 20 seats to the Liberals' 23.
