Local squirts hope to triumph in OASA bid

STOUFFVILLE — The local squirt boys' all-star team has advanced to OASA semi-finals, losing in their first game against Springbrook, 10-9. The next game is Saturday in Springbrook and Coach Guy D'Addario predicts that "we should beat them."

Earlier, the squirts whipped Port Perry 32-2

and 38-5 and then moved into the next stage with Unionville. In that series, Unionville took the first contest 17-11, but Stouffville stormed back 11-4 and 8-4 in the next two encounters.

In last Saturday's game with Springbrook, Stouffville was leading 9-4 by the bottom of the 6th. Springbrook rallied to

within a run at 9-8 before running out of steam and Stouffville finished in front 10-8.

Coach D'Addario says the squirts' success so far has "really been a team effort."

Members are: Don Wagg, fielder; Dale Leger, fielder; Marty Sullivan, fielder; Barry Smith, catcher; Dave Mehaffey, pitcher and shortstop; Norm Wideman, pitcher; Keith Wideman, first base; Barry Greenshields, second base; Brian Todd, shortstop; Allan Fockler, third base; Jeff Fockler, fielder; Scott Frisby, fielder; and Kevin Bartley, fielder.

In quarter-finals

Picton wins twice snuffing bantams

STOUFFVILLE — The Schell Lumber bantams were downed by Picton twice in OASA quarter-finals last week. However, league play-off hopes were still alive last night as they took on Oshawa for the second time.

The first loss to

Picton was 24-0, with Picton pitcher Ken Armstrong hurling a non-hitter. Twenty-four Stouffville batters were struck out in the contest. The only Stouffville threat was Brad Steel who walked twice.

In the second contest Sunday, Stouffville was edged 9-7. Stouffville was leading 7-5 in the 7th inning, but Picton rallied with four runs in the last two innings to seal the game.

Dave Dart pitched a fine game for Stouffville, but the Picton offense was the best seen this year by the local bantams.

Top batting for Stouffville came from Brad Steel who had a solo homer, Mark Fockler and Dave Dart had three singles each.

For Picton, Derochie belted a homer and a double driving in four runs, while Messer hit a home run as well. With the loss to Picton, Stouffville settles for being zone champions, with wins over Keswick, Maple and Port Perry.

In the first league play-off game with Oshawa, Stouffville lost 16-8. Steve Schell homered and Mike Lafleur and Dave Dart contributed strategic hits in the contest.

A quick start and good hitting provided Oshawa with a lead too big to overcome.

Yankees advance to finals

BALLANTRAE — The Ballantrae Yankee hardball team came out on top in a league semi-final encounter.

In the first game, the Phillies won 10-4 behind the solid pitching of Mike Brunt. The Yankees took the second contest on Saturday as Scott Radford rapped a single and a triple and Bill Sanderson hit two singles.

Kelly Parke banged a three-run homer in the third game to lead the Yankees to an 11-5 victory. Perry Pettigrew and Scott Radford each had a single and a double.

The Yankees will play the winners between the Twins and Cubs in the finals this week.

League needs men bowlers

STOUFFVILLE — More bowlers are needed for the 7 p.m. Monday Night Men's Bowling League in town. Interested bowlers should call Bob Morley at 640-1284.

This week's scores included the following: Bill White, 782, 292, 250; Keith Barton, 725, 262, 260, 197; Joe Barber, 673, 262, 197; Bob Morley, 746, 263; Glen Jackson, 753, 263, 265; Art Grove, 705, 259; Bob Campbell, 666, 251; Jack Dunstall, 683, and Bob Sleeth, 736, 303.

Pee wee team edges Napanee

STOUFFVILLE — The ending to the Birkett-Hassard peewees' first semi-final game with Napanee here last Saturday was swift and sweet. Stouffville won 2-1.

With Napanee Baltimore chopped ball leading 1-0, Stouffville came to bat in the 7th inning.

The first man up, Paul Barry, rapped the ball off the third baseman's glove and made it to first. Next, Dave Raymer clouted the ball past the first baseman for a single, followed by a Baltimore chopped ball off the bat of Andy came to bat in the 7th inning.

The game was won with Mike Mumford at the plate and Raymer on third. When the ball went past the catcher at home, Raymer raced home and scored the winning run. Earlier, it looked like a pitcher's duel between Napanee's Tripp and Stouffville's Jim

Chilvers. While Chilvers struck out 20, Tripp put away nine and stifled any Stouffville attempts. One of the few Napanee hits was a hard ground ball down the middle in the 4th that went for a home run and put the home town team behind. Tripp's pitching

weakened by inning six, when long hard fly balls were hit by Robert Gierkin, Jim Chilvers and Ted Waite. The balls were fielded ably by the Napanee defensemen. Two Napanee players were thrown out at first after passed balls at home plate, with catcher Scotty Brown nailing the out; Robert Wright played a steady game at centre field through the game.

Team manager George Chilvers termed it a "good game all around."

The second game with Napanee in provincial play-offs is to be Sunday, in Napanee. In league play-offs, the local peewees were to face Claremont last night.

A third game with Napanee, if necessary, will be played Sunday, September 21, in Stouffville.

Mongolia Open

Tourney Saturday

STOUFFVILLE — Tee off time is 10 a.m. this Saturday for the Mongolian Open golf tourney, sponsored by the Stouffville Lion's Club. Location for this year's event will be Mill Run

golf course, five miles east of Ballantrae. The all-day affair includes 18 holes of golf, complimentary drinks, an optional swim in the pool and a barbecue at 4 p.m. Prizes will be awarded at that time.

The start of the tournament will be a "shotgun start" with each foursome starting at a different hole at 10 a.m. The tournament will be twice around the nine-hole course.

The Cider Garden, operated by the Junior Farmers, proved to be a popular spot for cool apple cider at the Uxbridge Fair held over the weekend. The weather, while brisk and cool, proved to be ideal for the event. One of the fascinating aspects of

the fair involved the craft building where various handicraft techniques were demonstrated. Here an old-fashioned spinning wheel is in action (below). — Don Bernard
