

A bird's-eye view of Markham fairgrounds-1974

This is a bird's-eye view of Markham Fairgrounds from atop the midway ferris wheel. The scene is looking to the south-east, across the racetrack and into the parking area. The picture was taken by the Economist and Sun in 1974. Conklin Shows of C.N.E. fame, will be back this year and operating all four days, Oct. 2,3,4 5.

The Master 6-Horse Hitch

The Master 6-Horse Hitch will be on display and participate in the Markham Fair on October 3 and 5, the team will be pulling a big brand new yellow wagon. Reg and Bob Black and their family own and operate the hitch and will be glad to talk to you and your friends at the fair.
