Parkview News

Autumn bus trip thrills residents

We were pleased to have Rev. Chris Beldan of Dickson's Hill Missionary Church present with us on Sunday evening, Oct. 5, to conduct the worship service.

Many of our residents enjoyed a bus trip on Monday, Sept. 29, to see the glorious colored leaves of autumn. Also included in the trip was a stop for dinner at Haggen's Restaurant at Manchester for chicken dinner and a nice piece of pie!

Another special event at Parkview during the past week has been a celebration in honor of Mr. and Mrs. Roy Moyer, who have been married for 60 years. A special anniversary party was planned for Saturday, October 4, and many friends and relatives were in attendance.

Recent visitors to Parkview included: Mike Hamilton for Mrs. F. Stouffer, Ross Wilcox of Scarborough for Mrs. L. Conorton; Ray and Evelyn Winger and family of Maple for Mr. Henry Winger; Neil and Marj Alexander of Toledo, Ohio, for Mrs. Mabel McBride; Miriam Hiscox of Peterboro for Mrs. Mabel Barkey; The Cockwell Family of Waterloo for Mrs. Atkinson; Ina and Gordon Ross of North Bay for Mrs. Gertrude Ross; Ruth and Blanch Henderson for Miss Ella Cober; Bob and Irene Price of Florida for Mrs. Sarah Grubin; Miss Norah Macklem; Mrs. Edith Bacon for Mrs. Helena Sharpe; J.W. James of Port Credit for Mrs. Nettie James.

Tuesday, Sept. 30, saw the many friends and relatives of Martha Patton attend a birthday party in honour of her 100 birthday. It was a lovely day and people laughter and sunshine filled the auditorium. Visiting was held from 2-4 p.m. and later in the evening from 7-9 p.m.

On Thursday evening, Oct. 2, Mr. J. Nighswander showed his slides of Arizona and Utah slides of a trip taken last June. Mrs. C.H. Nolan also assisted with the program by playing a few selections on the organ.

Uxbridge supported in road grant increase

Uxbridge — Four other municipalities have endorsed an Uxbridge council resolution regarding road wear from gravel trucks. Copies of letters from those municipalities were received by council last week.

The Uxbridge resolution requests additional provincial aid for those areas with increased road maintenance costs due to sand and gravel operations. Endorsements came from the municipalities of Wellesley, South Dumfries, Fort Erie and Brighton.

Great judge gives final verdict

By HOWARD MINAKER
 Patricia Hearst has been mentioned frequently since her capture by police. Her defence is claiming she was coerced and brainwashed by her captors into joining their ranks. The prosecution is endeavouring to prove that she chose to break the law. Some weeks and several million dollars later the public will hear what man's justice gives as the verdict.

Man's justice at best is faulty and many go from our courts of law feeling they have been unjustly accused or sentenced.

There is a greater judge, a more just judgement, a more far reaching penalty. The Man who hung on the cross on Golgotha's summit amid the blasphemers and scoffers of His day is coming back to judge this world. He has offered forgiveness to His murderers if they will but confess their sin and come to Him. He still permits His sun to shine on them and lets His rain fall.

However, multitudes greater than those at the original crucifixion carelessly reject His mercy, laugh at the thought of punishment and brazenly bow their knees before the idols of this world.

Many think they can make it on their own by their own best efforts and shrug off the words of Jesus when He said, Except a man be born again he cannot see the kingdom of God.

Satan the diabolical deceiver has but to keep us from coming to Christ for pardon and salvation to accomplish his purpose of taking us to the Lake of Fire where he himself is going.

One day mercy will be past and our compassionate Saviour will be our Merciless Judge.

Farm Report

Boom, bust market never more evident

By A.A. WALL
 Agricultural Representative

The boom or bust character of some farm products has never been more evident than it is right now, with pork and beef. Pork broke the \$90 record recently, while calves sold as low as 10 cents a pound last week in Toronto and beef feeder ranged down to 25 cents.

There is just hardly any market for dairy bull calves. A dairyman here just last week had to pay more for trucking calves to a sale than the calves brought.
