

# FLEA MARKET

You've probably heard about Sheridan Mall's Flea Market, but unless you see it you won't believe the excitement.

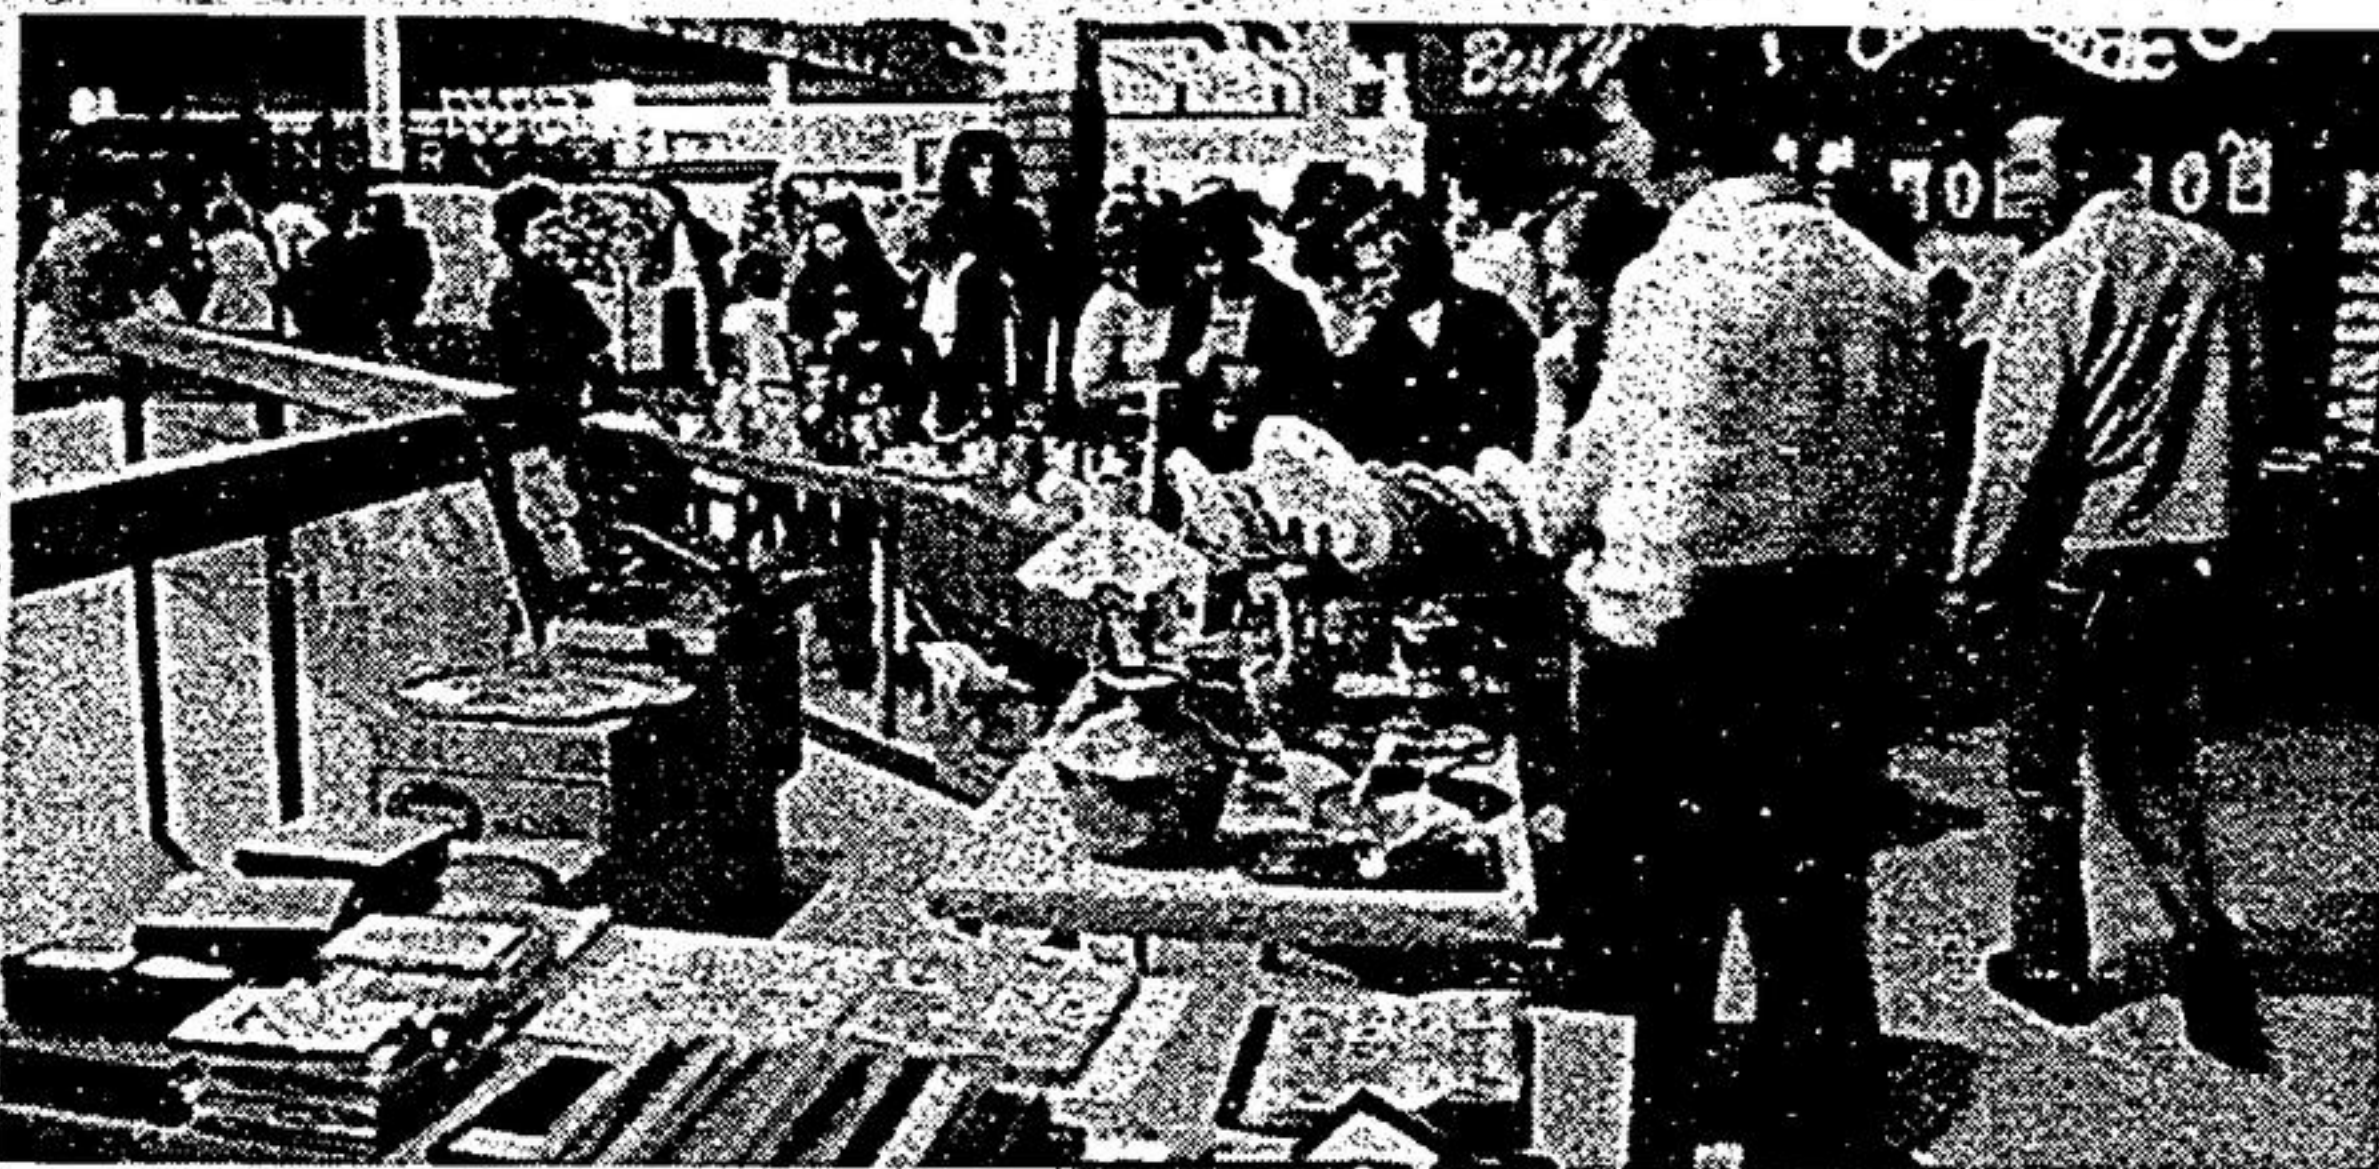

Every Sunday the Mall encloses over 200 vendors selling such items as Jewelry, Flowers, Antiques, Glassware, Silver, Paintings, Wall Hangings, Books, Rugs, Cloth, Copper, Ceramics, Coins, Brass, Clocks, Candy, Apple Cider, Macrame, Fruit, Vegetables and Home made Salami.

It's possible to buy anything from soup to nuts, including soup or nuts.

Even if you're not in the mood to buy, it's worth a look around or relax and have coffee and a bite to eat.

The market is open from 10 A.M. to 5 P.M. every Sunday all year.

The Flea Market is a huge success because of George Nunes Sheridan Mall Building Supervisor. George can easily be found in the middle of all the action helping to keep things running smoothly.
