

SPECIALS from WEST BAY SALES and

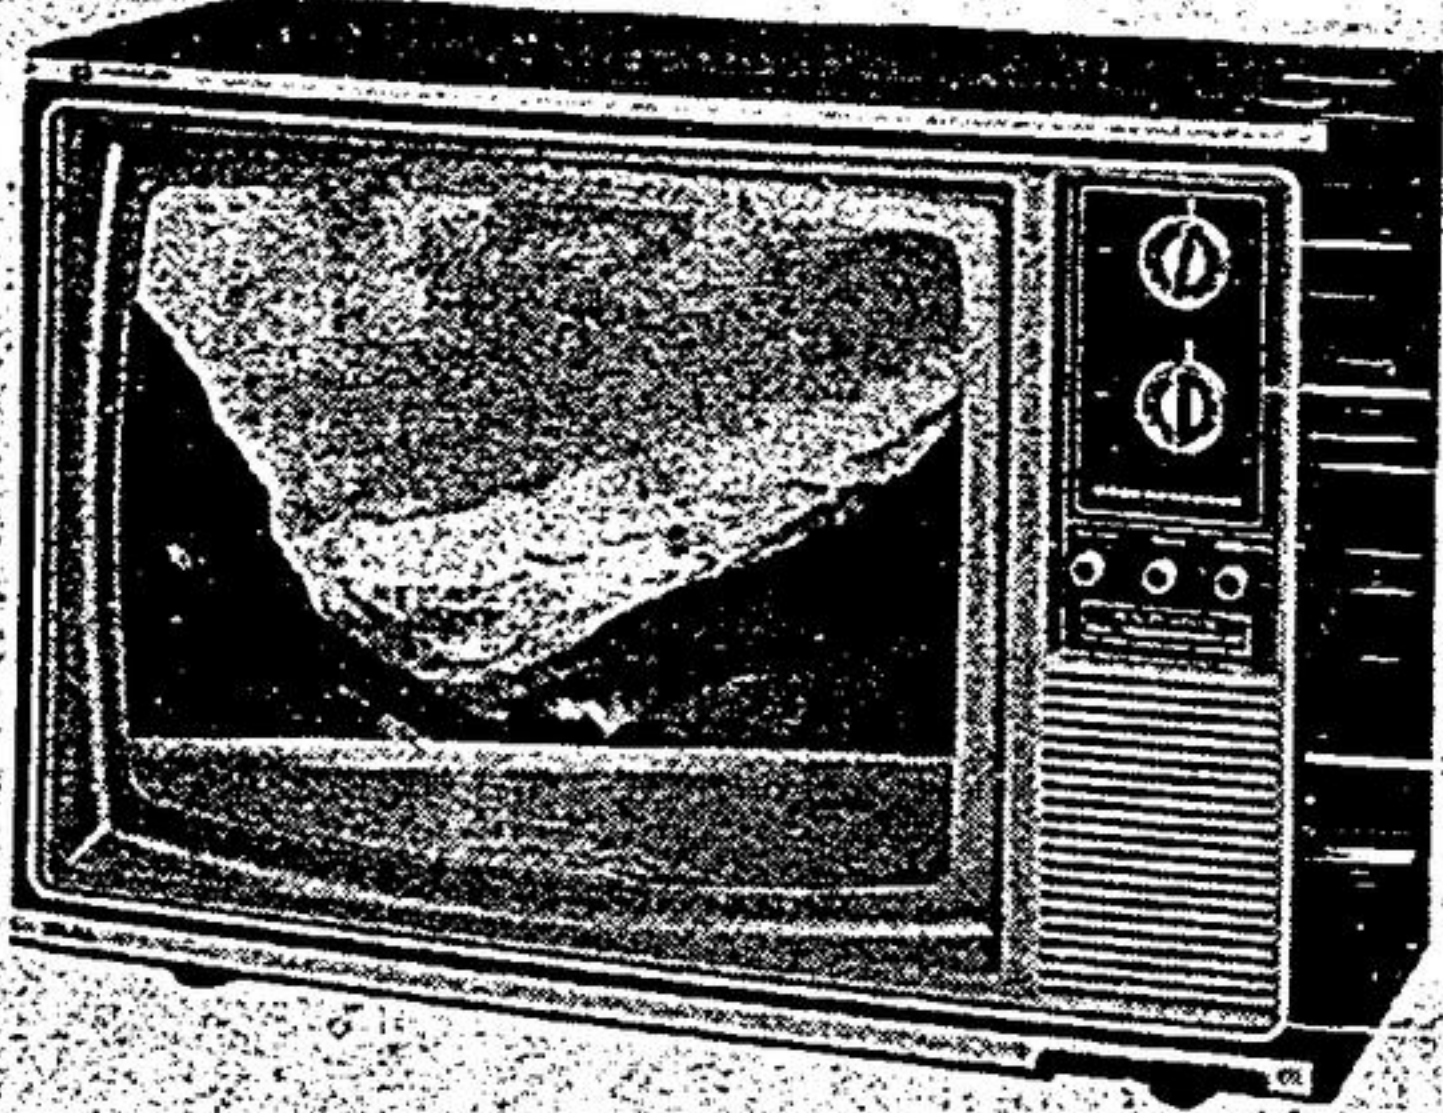

20" Picture Solid-state
COLOR TELEVISION

Features:

CT-816

- Black Matrix Picture Tube offers crystal-clear color rendition even in a well-lit room, thanks to Hitachi graphite-coated fluorescent screen.
- Dependable, all-transistorized circuitry guarantees optimum performance, outstanding image reliability, and long service life, thus reducing maintenance costs.
- ELECTRO APS (Automatic Picture Setting) produces best color picture of factory-preset color tone, contrast, and brightness with one-touch control.
- Automatic degaussing system assures pure, crisp image every time set is turned on from a cool, instant start.
- Instant-on circuit eliminates fretful warm-up period, delivering clear, sharp picture and dynamic sound the moment power is supplied.
- Luxurious veneer cabinet in eye-filling design renders this unit in tune with today.

PLUS: WARRANTY

- 5 Years on all Transistors & Resistors
 - 2 Years on Picture Tube
 - 12 Months on all other Parts & Labour
- Only at West Bay
