This is value! Not only a great performer, but this Baycrest colour console is a beautiful piece of furniture, too! Beautiful Mediterranean styling you'll be proud to display in your living room. And, it's packed with dependable features you want!

- 100% solid state chassis with a negative Black Matrix picture tube
- Instant picture and sound
- Adjust and forget VHF fine tuning

EARPHONE, RECORDING JACK

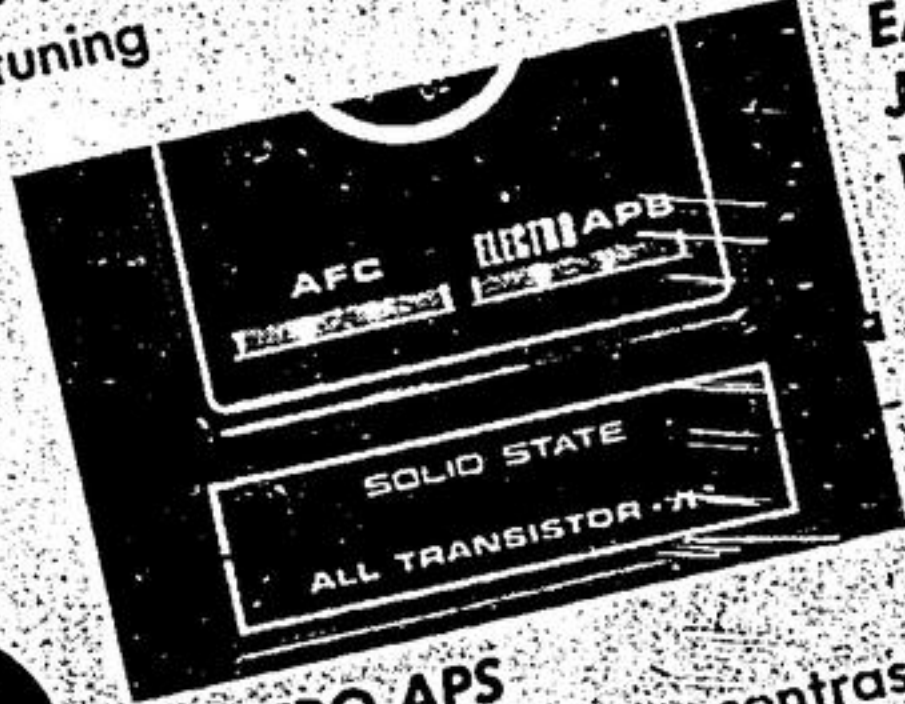

Imagine, this, too in this value packed set! Record programs direct from the recording jack—something you wouldn't expect in such a beautiful piece of furniture!

300 OHM / 75 OHM INPUT

Shielded direct cable connection, recommended by cable companies, reduces ghosting and interference to give you a superior picture

- Take advantage of this great value now! Simply 'charge it' to your Bay Card

ELECTRO APS

Adjusts brightness, contrast, colour and tint for perfect viewing
