Washers
COAST-TO-COAST

You'll wonder how you ever did without one! The time it saves, how completely it cleans your dishes! Invest now in our Baycrest—it's packed with features you want, and check the low price

• Our convertible is on easy roll casters—so you can place it anywhere in your kitchen and simply roll it to your sink. When required, our Baycrest can be converted at any time to a built-in unit

SIX CYCLE SELECTION

Then choose the cycle you need—normal wash, utensil soak, rinse and dry, rinse and hold, short wash or super wash (for heavy loads)

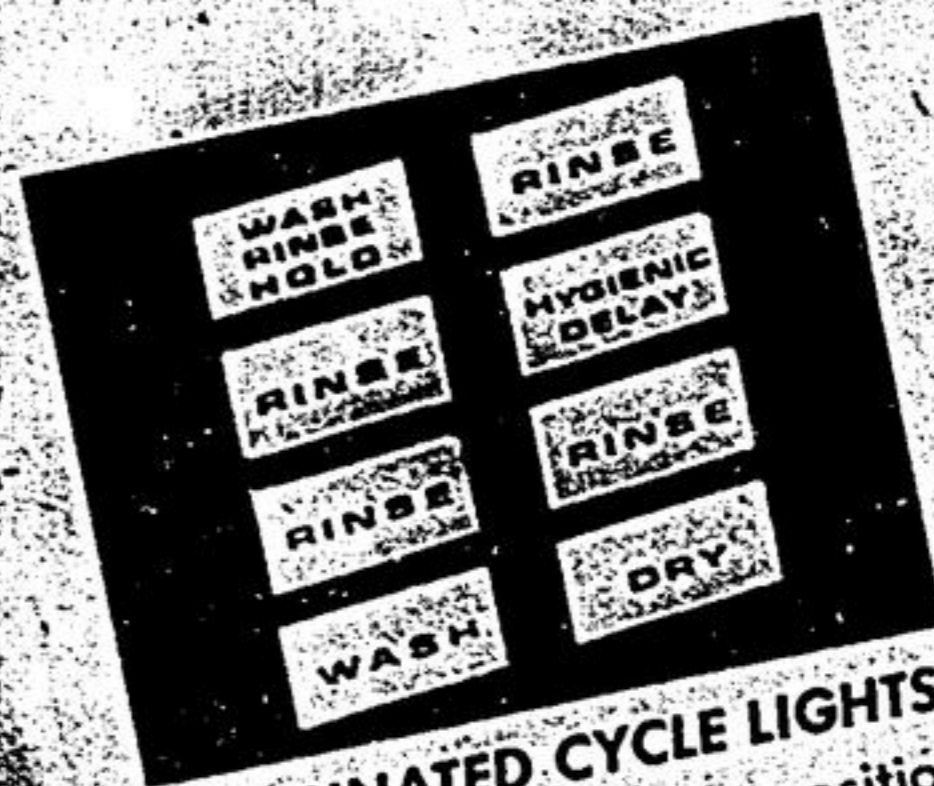

FAUCET FLO UNICOUPLE

No extra plumbing required! The Faucet flo unicouple quickly connects and lets you draw water from tap even when dishwasher is in use

DOUBLE DETERGENT DISPENSER

Make the dirtiest dishes and casseroles sparkle with two consecutive automatic wash cycles with the detergent added automatically to each! No measurement necessary, each dispenser contains the proper amount of detergent

ILLUMINATED CYCLE LIGHTS

Shows you the cycle position dishwasher is operating at—wash, rinse, dry, etc.

• It's a front load, and that makes it so easy. Just open, roll out racks and place in your dishes, cutlery, crystal too, and with the touch of a button—your dishes are done

• Approx. 24 5/8" wide x 25" deep x 36 5/8" high
