

Edna Green auction

The end of an era

Jack McDermott representing the Stouffville Lions Club takes the wreath from Legion member Grant Turner to place it at the cenotaph during the recent Remembrance service. — Don Bernard

Lorna Gilbert

Whitchurch native passes away

STOUFFVILLE — Mrs. Lorna Gilbert passed away at Toronto Western Hospital. She was a native of Whitchurch Township, having been born on Oct. 4, 1912. She was the daughter of Mr. and Mrs. Albert Hoover and spent all her life in the Stouffville area. She married Stanley Gilbert on Aug. 4, 1928. Mr. Gilbert predeceased his wife. Mrs. Gilbert was a member of Bethel Assembly of God in Ringwood and had attended there for two years. She leaves behind one daughter, Mrs. John White (Mrs. John White) of Newmarket and

two sisters, Ruth (Mrs. Wright) of Newmarket and Leona (Mrs. Howard Rosenbarker) of Whitchurch-Stouffville and three brothers, Ernest and Walter of this area and Edward of Claremont. She had one grandchild, John White Jr. Funeral service was held from O'Neill's Funeral Home and was conducted by Rev. Howard Minaker. Pallbearers were Jack Morgan, Gordon Forsyth, Paul Marshall, Wellington Yake and two nephews, Albert and Allan Gilbert. Interment was in Lemonville Cemetery.

GREENWOOD — A large 19th century walnut bookcase sold for \$2,250 at auction sale of the estate of the late Edna Green, Saturday at the community centre here. Miss Green's death marked the end of an era for the hamlet. She was the last surviving member of the Green family after which the hamlet was named. Many items in the sale were 19th century pieces. Miss Green died in October at the age of 67. Frederick Green, a miller from England, purchased a mill on Duffins Creek in 1843. He became known as Squire Green and became a large property holder in the area. The top selling item in the sale was carved a century ago by prisoners at Kingston Penitentiary. A rosewood spinette desk sold for \$900. The sale featured other pieces of 19th century furniture, furs and boxes, as well as boxes of china with names such as Limoges, Royal Doulton, Wedgwood and Staffordshire. Other valuable items, some owned or made by John A. Macdonald or King Edward VII when he was Prince of Wales, were disposed of as part of Miss Green's bequests. Miss Green's house, built 18 years ago on the foundation of a century-old home, has been sold. Despite the cool weather, there was a good turnout for Saturday's sale.

Greenwood News

Three recruited for Sunday school

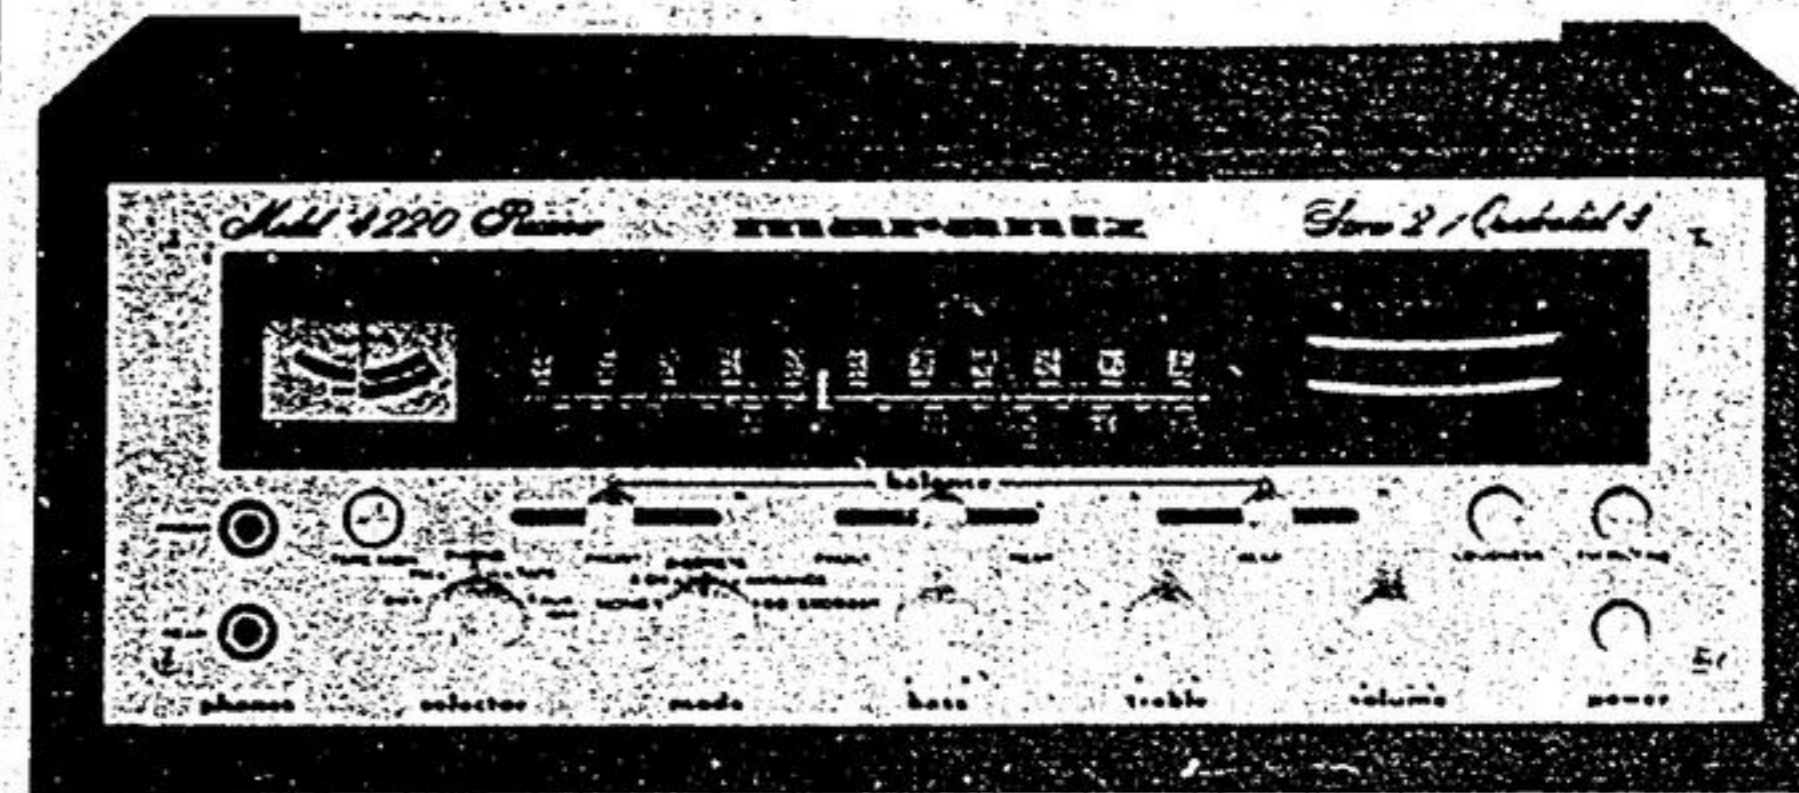

By Mildred McTaggart
GREENWOOD — Mr. and Mrs. Vernon Hicks were in Tilsonberg last week visiting with Mrs. Hicks' father who is ninety-three years old. The Sunday School is meeting again at 9:45 a.m. with Mrs. Marion Slater, Mrs. Kenn McTaggart, and Brenda Middleton in charge. The White Gift Service is planned for Dec. 7. Everyone is pleased to see Mrs. Irvin McLean out again after her lengthy illness. Linda Eastwood of Port Perry called on the Brown family, Salem Road on Sunday. The November meeting of the Senior Citizens was held in the Whitevale United Church on Tuesday afternoon Nov. 25. Mr. and Mrs. Jim Jenkins of Sundridge called on Mr. and Mrs. Milton Pegg last Friday, and son Joe Pegg and family of Windsor were with them on the weekend.

UNICEF gift items such as note paper and calendars are also included in items on sale at the Whitchurch-Stouffville Public Library. Greeting cards are also available.

marantz
SPECTACULAR!
QUAD FOR THE
PRICE OF STEREO

Marantz Quadradial Receivers can be used for stereo or quad with addition of two speakers

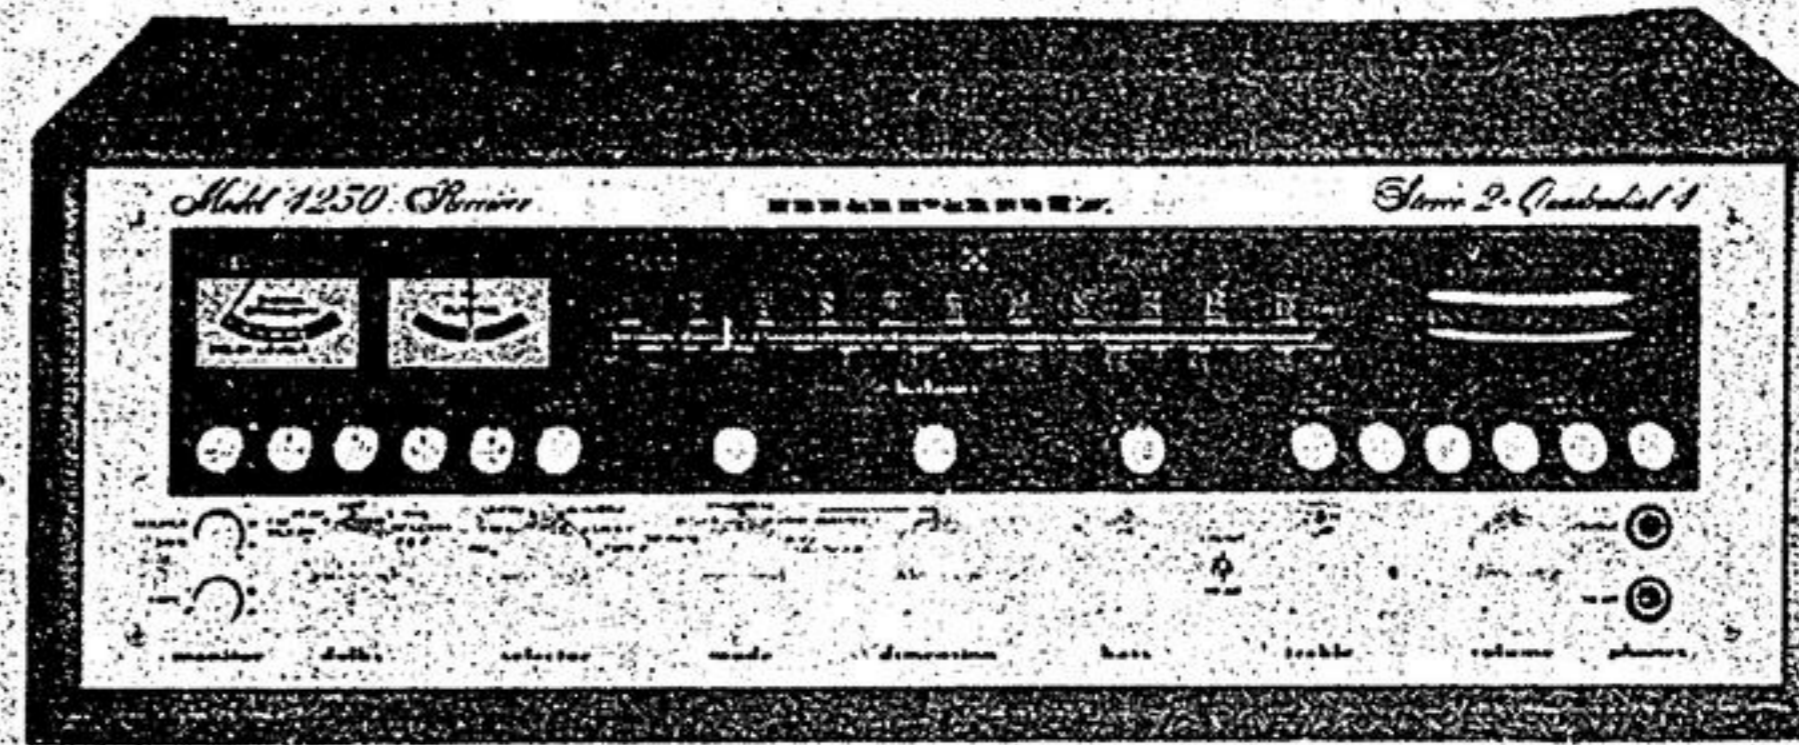

Mfg. Sugg. List price \$399.95

now **\$369.95**
Limited Quantity!

MODEL 4220 RECEIVER

The 4220 is the most economical of all Marantz Stereo 2 + Quadradial 4 Receivers. But it doesn't compromise quality or craftsmanship. For example, the 4220 features SQ** WITH LOGIC FOR DECODING SQ RECORDS AND TAPES. And you don't have to worry about replacing your stereo collection either. An AMBIENCE CIRCUIT is included which gives stereo recordings the dramatic 4-channel effect of a live performance. There's still plenty of that room-filling dynamic

Marantz-sound. WITH 20 WATTS PER CHANNEL FOR STEREO, 8 WATTS OF POWER PER CHANNEL FOR QUADRADIAL, MINIMUM RMS, AT 8 OHMS, FROM 40 HZ TO 20 KHZ, WITH NO MORE THAN 0.9% TOTAL HARMONIC DISTORTION... plus our exclusive GYRO-TOUCH BALANCE CONTROLS and LOUDNESS COMPENSATION all wrapped up in one neat package... the 4220 is a bargain in anyone's book.

Mfg. Sugg. List price \$569.95

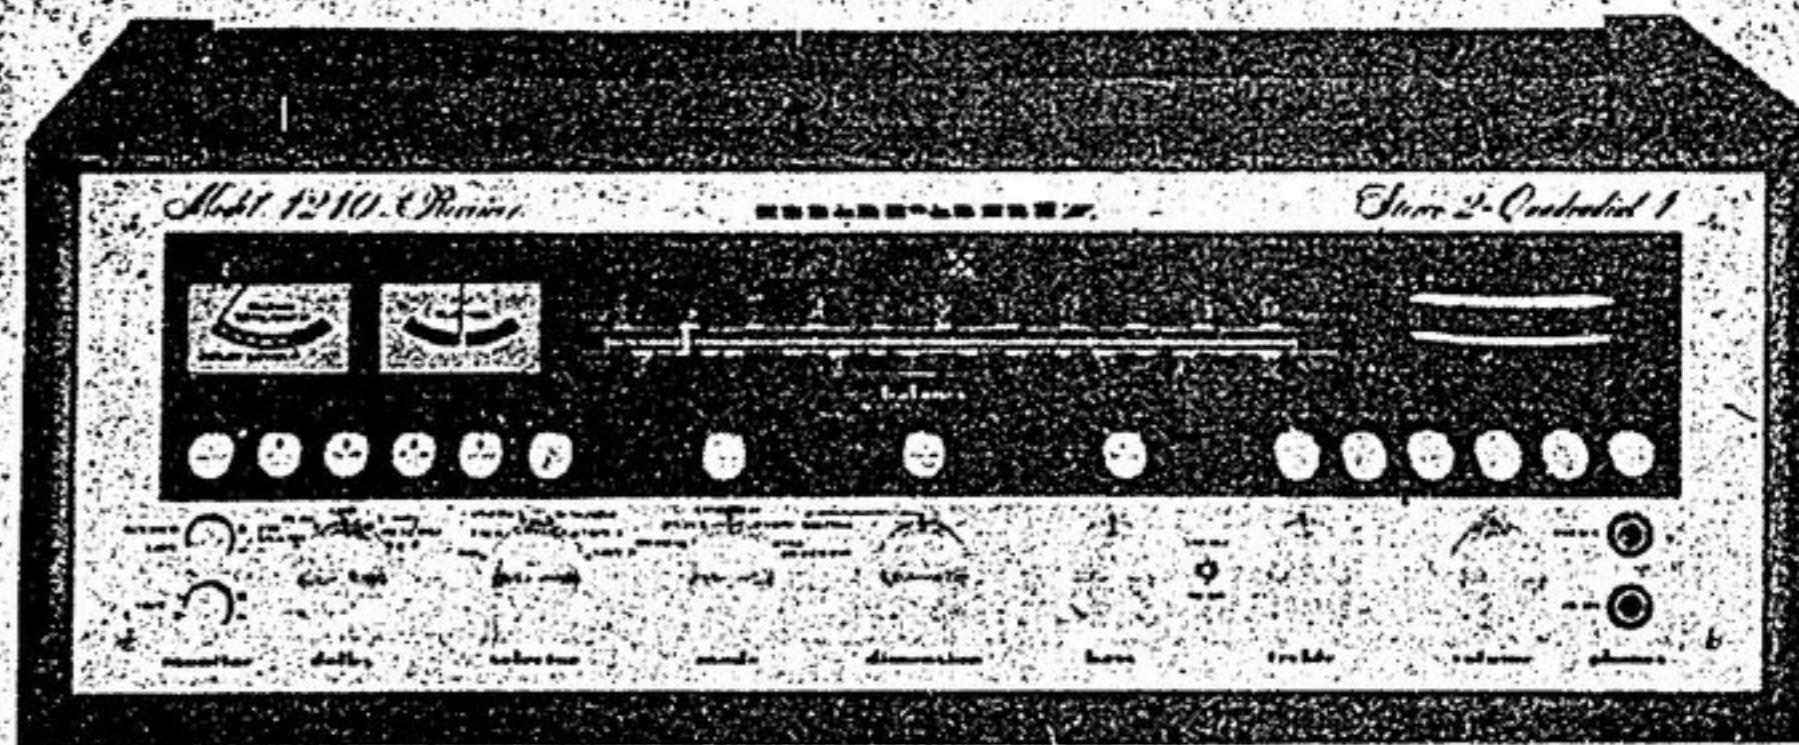

now **\$499.95**
Limited Quantity!

MODEL 4230 DOLBY® RECEIVER

For tomorrow. The brother to the highly rated 2230, is available today—with the same care and precision that earned a top rating for the earlier model, the 4230 continues the tradition of quality that Marantz is a standard. To you it's assurance. WITH 30 WATTS OF POWER PER CHANNEL FOR STEREO, OR 12 WATTS PER CHANNEL FOR QUADRA-

DIAL, MINIMUM RMS, AT 8 OHMS, FROM 40 HZ TO 20 KHZ, WITH NO MORE THAN 0.5% TOTAL HARMONIC DISTORTION, the 4230 answers your call for power and performance at the best possible price. Plus you get our versatile configuration of the DOLBY® NOISE REDUCTION CIRCUIT and the complete 4-CHANNEL BALANCE CONTROLS. And our exclusive "HIDDEN POCKET" accommodates either one of

our inexpensive SQ** Decoders, and assures that future developments will not make the entire receiver obsolete. With complete provisions for two Quadradial tape recorders, plus the loudness and hi filter, the distinctive sound in the "all fashioned" 4230 proves again that Marantz can't be beat for old-fashioned value.

Mfg. Sugg. List price \$699.95

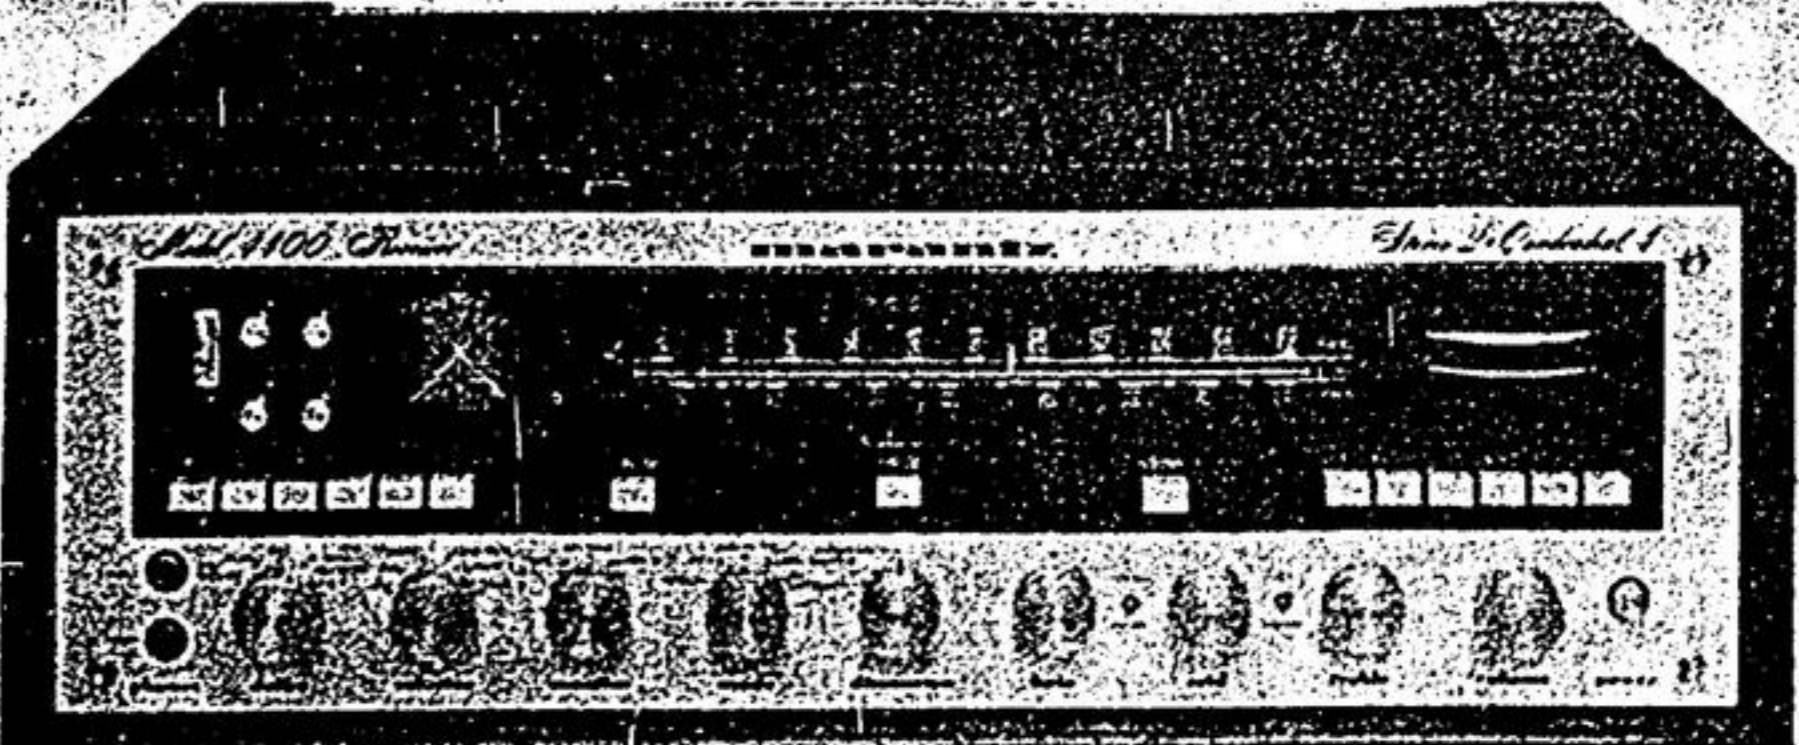

now **\$569.95**
Limited Quantity!

MODEL 4240 DOLBY® RECEIVER

Built with precision from the inside, out. The Model 4240 offers the most popular and practical features traditional of Marantz. Everything from our versatile version of the DOLBY® NOISE REDUCTION CIRCUIT to our exclusive GYRO-TOUCH TUNING to the complete 4-CHANNEL BALANCE CONTROLS. And our exclusive "HIDDEN POCKET" accommodates either one of our inexpensive SQ** Decoders, and assures that future developments will not make the entire receiver obsolete. Plus the con-

venient REMOTE CONTROL OUTLET for sound control when you want, wherever you want it. There's all the power you need with 40 WATTS PER CHANNEL FOR STEREO AND 17 WATTS PER CHANNEL FOR QUADRADIAL, MINIMUM RMS, AT 8 OHMS, FROM 20 HZ TO 20 KHZ, WITH NO MORE THAN 0.5% TOTAL HARMONIC DISTORTION. And the music you hear is clear, crisp and vibrant. The LOUDNESS CONTROL SWITCH boosts low and high frequencies so every nuance of your music is heard with "live performance" realism.

OR FOR THE ULTIMATE IN QUADRADIAL RECEIVERS THE INCOMPARABLE MODEL 4400. \$1,499.95
