

We're working together to keep our Prices low and our Pride high

The time has come to put Price & Pride together again. If we can't do it, nobody can.

One light for Lakeshore Rd. refused

BALLANTRAE Ministry of Transportation and Communications has refused a request for one light at the intersection of Highway 48 and Lakeshore Rd. and instead is asking for three lights there.

The ministry would pay half the \$500 cost of installation of the lights but council objected to putting in all three.

Mayor Gordon Ratcliff said he is in favor of one light to illuminate the intersection but he felt "it is the responsibility of the ministry to light the highway."

Council agreed if the ministry wants three lights they should pay for them.

Councillor Becky Wedley commented the only reason they want the light there is to aid people turning off the highway.

Public Works Committee voted to write the ministry and repeat the town's original request for one light at the corner.
