What is the best age to start at Bishop's?

Bishop's is an independent boarding school for boys and girls and any student from Grade 7 to Grade 12 may apply to us and benefit from our balanced program. However, those who enter at Grade 7 and remain with us for their entire high school education gain the greatest possible benefit and far from being "too young", react extremely positively to our stimulating environment.

Our academic program is designed to make learning and discovering an exciting, stimulating process. Boys and girls, studying together, work in small classes, where questioning and constant teacher-student dialogue is encouraged. The result is that we have an outstanding record of senior class students accepted by the university of their choice.

Our athletic program In some schools, students are denied the chance to enjoy sports unless they are very good. At Bishop's, our compulsory sports program, that includes soccer, football, hockey, skiing, tennis, track and field, rugby and horseback riding, gives every student the opportunity to develop leadership potential and a sense of responsibility.

Our activities program Choir, drama, photography, debating, astronomy, and cadet courses like hunter safety, driver education and outdoor survival, all help develop the student's awareness of doing, discovering and participating. Attendance at special productions in local theatres and regular social gatherings are additional features of our program. Our 450-acre campus, in the town of Lennoxville, is about 90 minutes' drive from Montreal. If you would like more information, write to: John D. Cowans, M.A., Headmaster, Bishop's College School, Lennoxville, Quebec J1M 1Z8. Or better still, call our Admissions Office at (819) 562-7683 and arrange to come and see us.

Scholarships and Bursaries to Bishop's College School are available for qualified boys and girls entering Grades 7 to 11 in September 1976. Scholarship applications should be made before January 14th.
