

It's your life... and you don't like being told what to do. But once you take a drink and then get behind the wheel... it's not only YOUR life anymore! Innocent people become your victims and YOU become a predator... and possibly your own victim. This New Years, take a minute before you take that drink. Is it worth all the tragic consequences that so often happen every year?

# don't MAKE IT ONE FOR THE ROAD!

# IF YOU DRINK DON'T DRIVE
