Student performers impress the adults

RICHMOND HILL — "Perhaps the Board of Education should include students in more of its meetings," commented one parent in the auditorium of Bayview Secondary School, Jan. 7, "it would be more interesting".

A hundred or so spectators, Wednesday, would have said "amen" to that. The color, enthusiasm, and talent provided by pupil participants at the inaugural session for 1976, kept the people awake long enough to enjoy a period of refreshments that concluded the evening.

Hearty applause followed every number including instrumental selections by the Concert Band at Bayview; a Recorder Group from Crosby Heights, Richmond Hill and the Grade 8 Band, also from Crosby Heights.

Spectators enjoyed vocal selections from the Jr. Public School Choir at Markham's Reesor Park and the Grade 7 and 8 Choir at Baythorn Public School, Thornhill.

Gymnasts from a club in Sutton and Aurora High School, thrilled spectators with feats of rhythm and skill.

The choir from Reesor Park was under the direction of Jean Beaton. The Baythorn choir was directed by Marilyn Short.

Ray Barton led the band from the host Bayview School. James Morrison was in charge of the band from Crosby Heights.

Robert Neumann put the Sutton gymnasts through their paces. Mrs. Vivian Seaman directed the colorful ballerinas from Aurora. The Recorder Group from Regency Acres School included the principal, David Duchesne. They offered five selections.

Between times Doug Allen of Richmond Hill was elected chairman, defeating Craig Cribar of Newmarket, and Don Cousen of Markham was elected Vice-Chairman, beating out John Stephens of Markham, Richmond Hill.

Local MPP tells of new wage minimums

By BILL NEWMAN

On March 15, Ontario's minimum wage rate will be increased to protect minimum wage earners against increases in the cost of living. The general rate will become \$2.65 per hour, and the minimum for the construction industry will be \$2.90 per hour.

In addition, a tip differential will be introduced for some employees in the hospitality industry, the new minimum to apply where tips are received. The category of tipped employees it will cover, will be announced prior to the introduction of the \$2.65 minimum.

There are many business people in Durham North working in the Tourism and Hospitality Industry. Accordingly, I will keep their viewpoints in mind in any future government discussions on this matter. Similar announcements will be made with respect to the minimum rate applicable to students, and to harvest workers in the seasonal agricultural industry.

While these increases in the minimum wage should help improve the position of minimum wage earners, relative to other workers, the level will be under continual active review in 1976, and appropriate recommendations will be made as they become necessary.

Pensioners in this riding who are currently receiving benefits from the Ontario Government's Guaranteed Annual Income system, will receive an additional increase in payment in this month's cheque.

Effective Jan. 1, 1976, the Ontario Government increased its Guaranteed Income levels to \$265 for a single pensioner, and \$330 for a pensioner couple.
