

the **Bay**

24-1 Canadian General Electric Convertible Dishwasher is truly a time and energy saver. This model has 4 cycles—short wash, normal cycle, power scrub for baked-on pots and pans plus a plate warming cycle. Other conveniences include automatic rinse-glo dispenser, double detergent dispenser plus a cherry-wood cutting board top. Convertible models are suitable for rental accommodation because they move when you do. Measures 36" high x 25 1/2" deep x 24 1/2" wide approx.

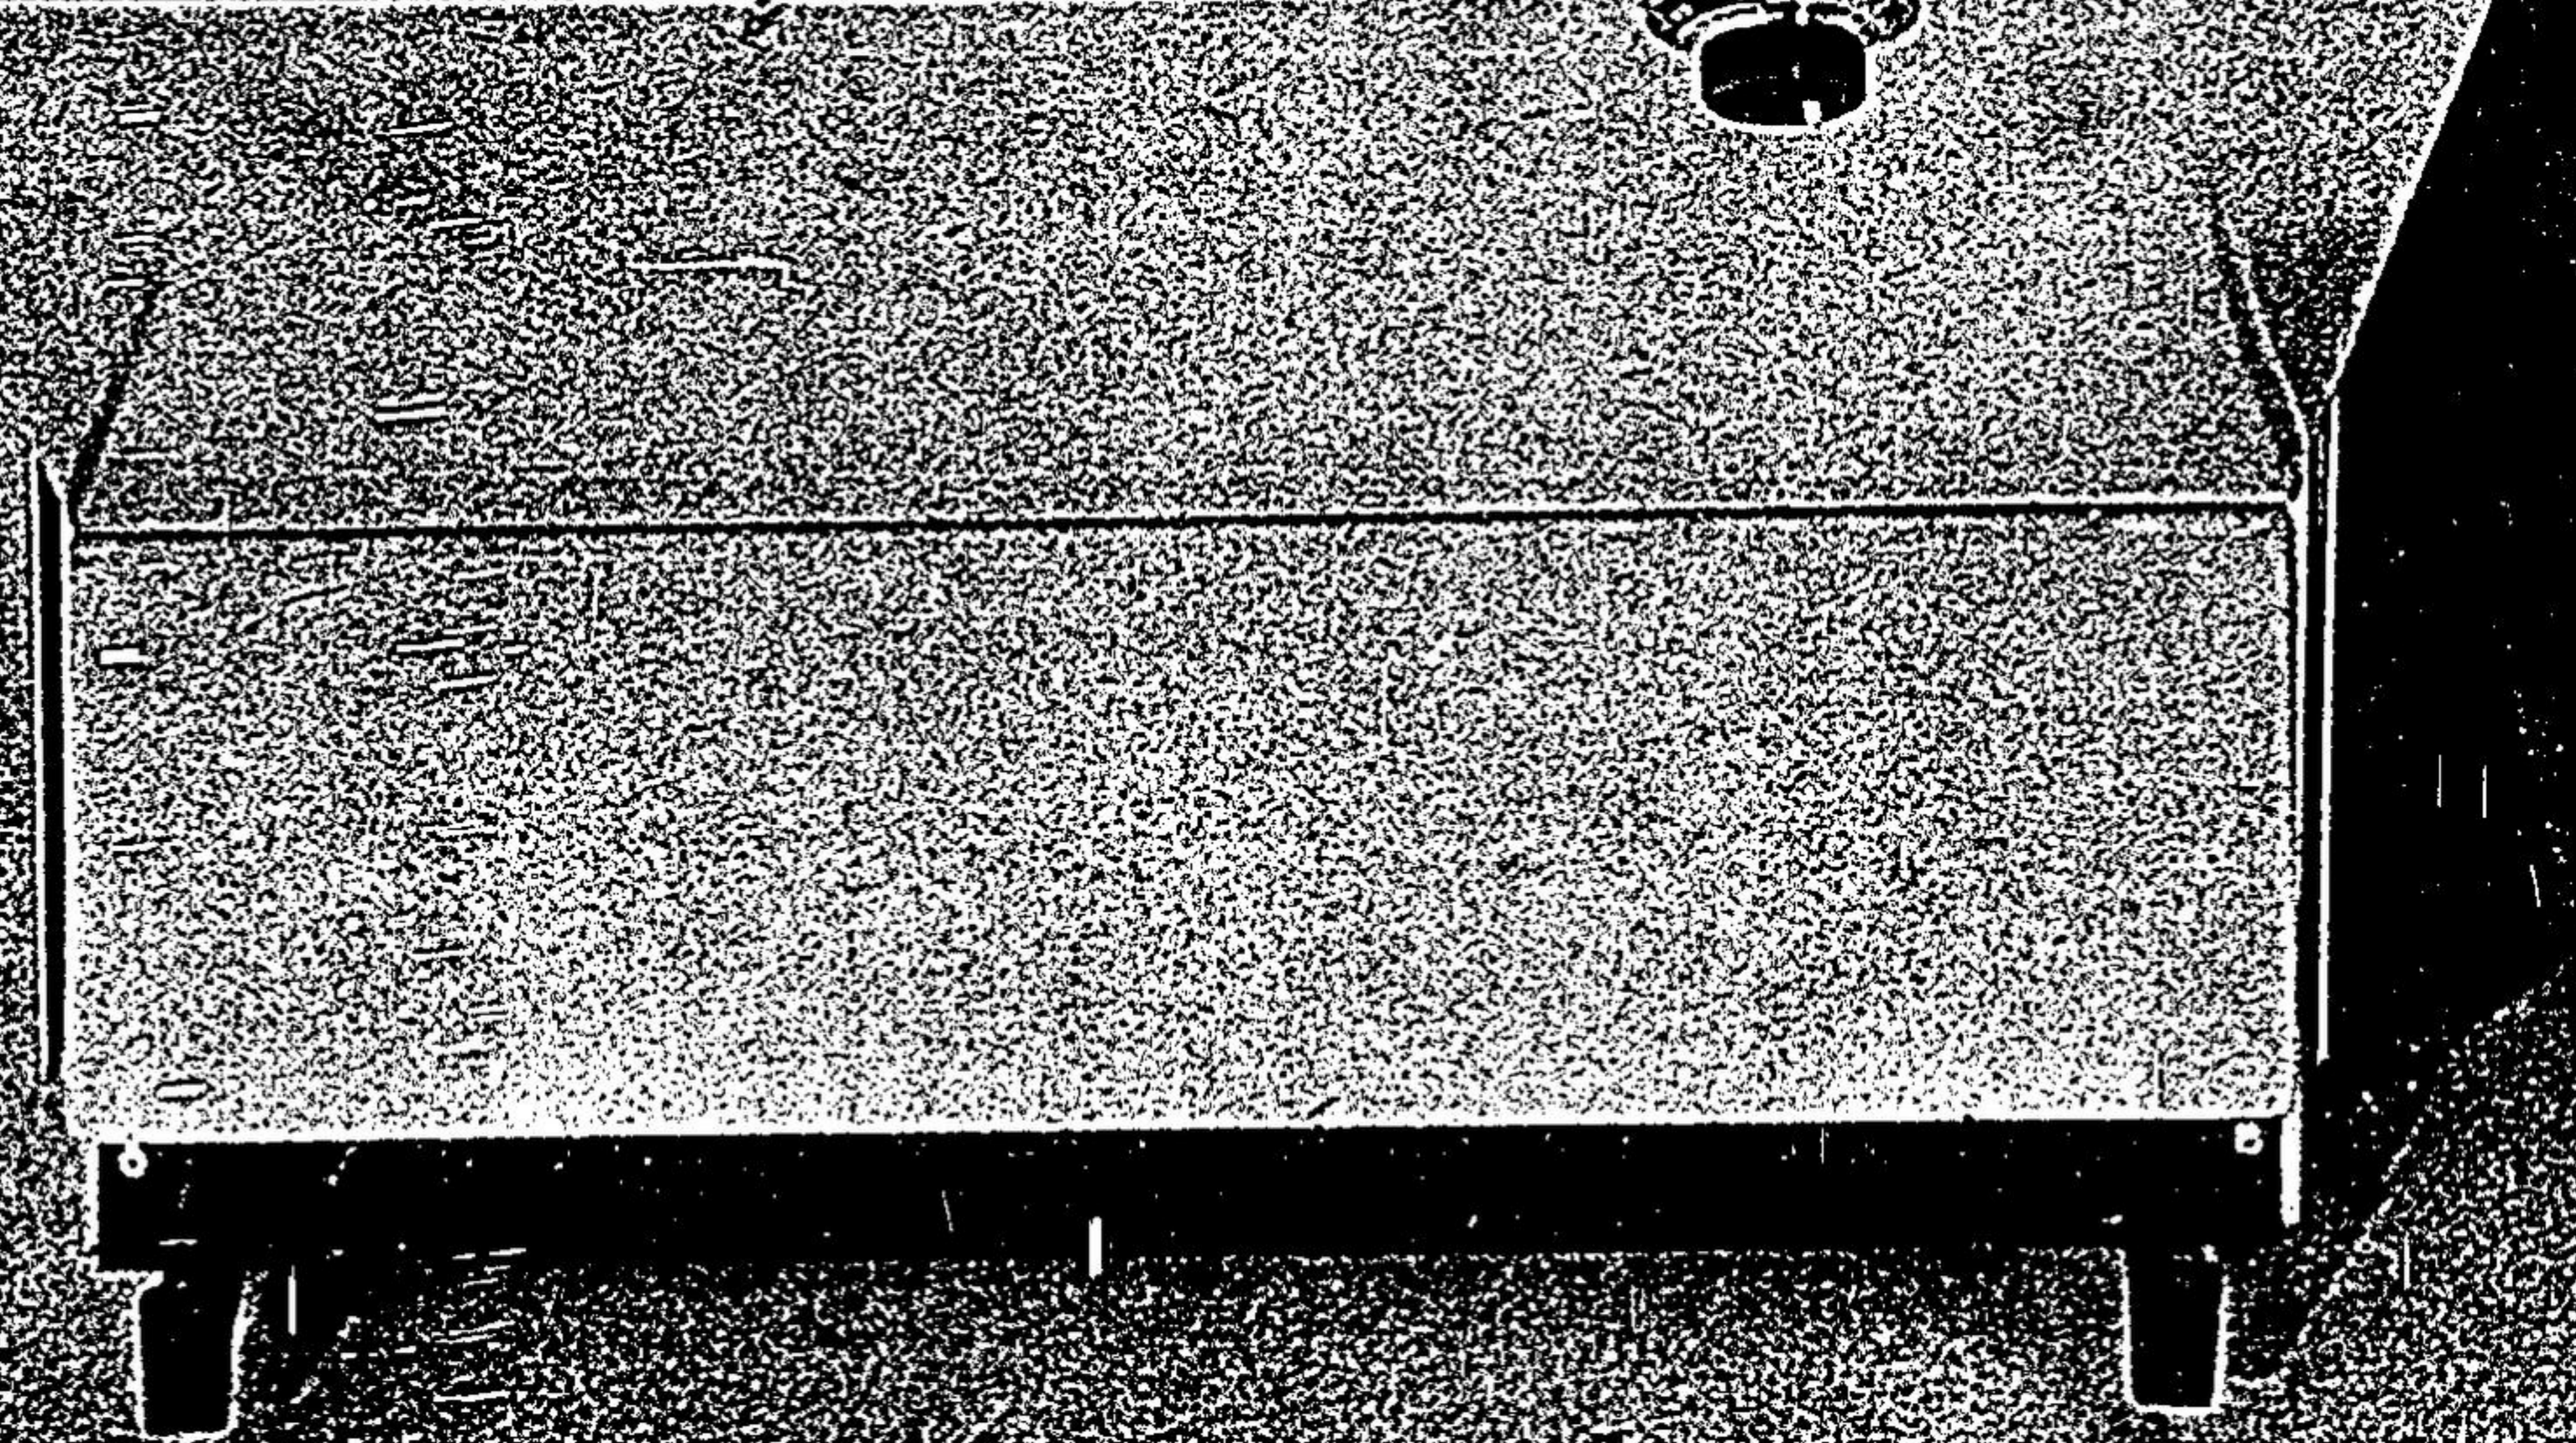

\$339

\$10 extra for avocado or harvest gold models.
