Trip postponed
YORK CTY - The York Region public school board has postponed an extended field trip to Britain.
Scheduled between March 18 and 29, the trip was postponed until March, 1977, trustees were told in a routine report.
While an estimated 40 secondary school students were expected to participate in the venture, portions of the group opted for a trip to France, the report stated.
A second reason for the postponement was the fact that the teacher organizing the excursion working part time at the University of Toronto this year with special permission of the board, was unable to devote the necessary time to work with students in planning for the trip.

New tax licence
STOUFFVILLE - William Freeman, owner of Northeast Taxi in Markham, has been granted a cab licence in Stouffville.
Council granted the licence on the condition that Mr. Freeman open a dispatch office in a commercially zoned area of the town.
Mr. Freeman is reported to have assured council he will meet this requirement by the first of April.
The fee for a tax licence is \$50 for the first year and \$10 for each renewal. Each additional cab costs \$5, with a fee of \$5 for each driver.
Whitchurch-Stouffville is now exclusively served by Reliable Taxi.
