

SDSS successful in first track meet

STOUFFVILLE — The Stouffville High School track team got off to a great start this season at the Blue and Gold Warriors Meet, held at the Port Credit High School.

John Christie, competing against the track powers of Toronto, cleared well over 20 feet in the long jump event and set a new meet

record. He also leaped 40 feet in the triple jump event, good enough for second place. He had to drop out because of an injury shortly afterwards, and settle for fourth position.

David Dart hurled the Midget Discus 141 feet, placing second, and also had the fourth best put in the shot-put event.

Tim Brazier, in spite of being knocked down and injured, managed to stagger back on the track and place sixth in the 3000 metre event, competing in a field of 29 runners.

Ballantrae horse show

BALLANTRAE — The Ballantrae Community Horse Show, usually held at the Community Centre will have a new location this year.

Scheduled for Monday, May 24, the show is held this year at Turf Valley Farms on the 6th Conc., about a mile north of Vivian Rd. The show is underway at 10:30 a.m. Trophies and six ribbons are awarded in each class.

Seeding of the grass at the community centre necessitated the change of location.

Mr. Grimshaw has also been named Operations Co-ordinator to form subcommittees for the centennial year and to try to set up a women's auxiliary which

New executive named at WSMHA meeting

STOUFFVILLE — Witchurch Stouffville Minor Hockey Association executive were elected last week at the annual meeting, for a two year term.

The usual term is for one year but to facilitate co-ordination of a centennial project it was decided to lengthen the term by a year.

Because of a new ruling introduced last year, which specifies that four members of the executive must have been on the previous executive.

President John Wilson and Treasurer Ed Grimshaw did not resign with the rest of last year's executive, but continued on in their positions without standing for re-election.

Other members of the new executive are: Vice-president Eldon Wagg, Secretary Bob Dart, House League Convenor John Wilson, Referee Manager Dave Bourne, OMHA Convenor Ken May, and Assistant OMHA Convenor John Hutchinson.

Mr. Grimshaw has also been named Operations Co-ordinator to form subcommittees for the centennial year and to try to set up a women's auxiliary which

would be responsible for selling tickets and providing refreshments when the association is hosting other teams.

According to Mr. Wagg the centennial project will likely be chosen at the next executive meeting, to be held June 6.

There was a good turnout to the Thursday night meeting and several amendments to the constitution were passed.

Two amendments, which make parents of children registered in the hockey program members of the association

and give them voting privileges, were passed.

There was considerable discussion about the portion of the amendment concerning voting privileges as the resolution specified there would be only one vote per family.

John Brunke protested against this condition on the grounds that "if a father and a son are both actively participating then only one is entitled to a vote."

The resolution was amended to allow "parents" to vote.

The resolution to decrease the executive from nine members to seven was also passed.

This was done because of an organizational change which eliminates a separate convenor for each of the five house leagues and puts them under the control of one convenor.

A non-executive manger will now be appointed for each of the house leagues. The intent of appointing one convenor is to have that one person co-ordinating the

playoffs, which have caused problems lately.

Another problem area has been allocation of ice time and it is hoped this can be eliminated by placing it under the jurisdiction of the Assistant OMHA Convenor.

A resolution was passed giving the executive the authority to remove any member of the executive who is not fulfilling his duties. The replacement, according to the resolution, would

be the man who polled the next highest number of votes at the annual meeting.

Several other points of contention were brought up and referred to the new executive.

Rugger team serves spaghetti dinner

STOUFFVILLE — The Stouffville District Secondary School rugger teams are going to play host to the Stouffville Public on Wednesday, May 19, at 5 p.m., when they will prepare and serve a complete Italian dinner.

On the menu is penna righta, a dish much like spaghetti. The public is

invited, for the price of only \$2, to watch the Midgets play against Markham and then stay for an excellent Italian dinner.

The rugger teams, with the assistance of Mrs. Bianchi, are organizing, preparing and serving the entire dinner in order to help publicize the existence of rugger in Stouffville.

SDSS rugger action

Senior Spartans down King, Huron Heights

STOUFFVILLE — Rugger is well under way at Stouffville District Secondary School. In six exhibition games, the senior Spartans have a record of five wins and one loss. The only loss was a 6-3 score to King City, which was later avenged by a 16-9 victory over the same squad.

The SDSS team also scored twin victories over Huron Heights with scores of 28-0 and 10-3, and also trounced Bayview 12-0 and 15-3.

Team leaders for the senior Spartans are the Bianchi brothers, Alex and Tony, Barry Doner, Joe Thistel, and Dan Brazier, but all members of the team have performed well.

After several postponements, the Junior team finally got to play a game. They came up against a strong Markham side and lost 8-0. Although Stouffville failed to score, all members of the team played strongly in their initial rugger game.

The midget team played their first game of

15-a-side and came away with a 6-0 victory over a larger Markham squad. Angelo Monopoli scored the try and Steve Schell made the two point convert. The Midgets will play host to Markham on Wednesday, May 19.

This past Monday, the Midget and Intermediate teams travelled to Cannington for games of seven-a-side against Brock.

The midgets came up against a strong team and lost 32-0 in the first 14 minute game but played much more strongly in the second, losing only 8-3. Russ Harrison scored Stouffville's points on a penalty kick. The Intermediate Spartans displayed considerable speed and strength when the whole team shared the scoring in 10-4 and 28-0 victories over the Brock team.

Both the junior and senior rugger squads will be competing in the York County championships being held Thursday, May 13 at Fletchers' Field in Victoria Square. The contests begin at 1 p.m.

Local horse in sale

STOUFFVILLE — Fred Lenz of Leehaven Farms, of R. R. 4, Stouffville, has consigned his outstanding quarter horse, Roco Ray Mount, to the Expo Sale of Stars to be held this month in Kansas City, Missouri.

It is the first annual sale with consignments coming from 14 states and Canads, among the 48 entries to be sold. The sale is managed by National Quarter Horse Sales, Springfield, Ohio.
