

Easier oven cleaning with Baycrest 30" Continuous Clean range for only, **\$289**

Pay only \$15 monthly.
See page 12 for details.

\$10 extra for Harvest Gold.

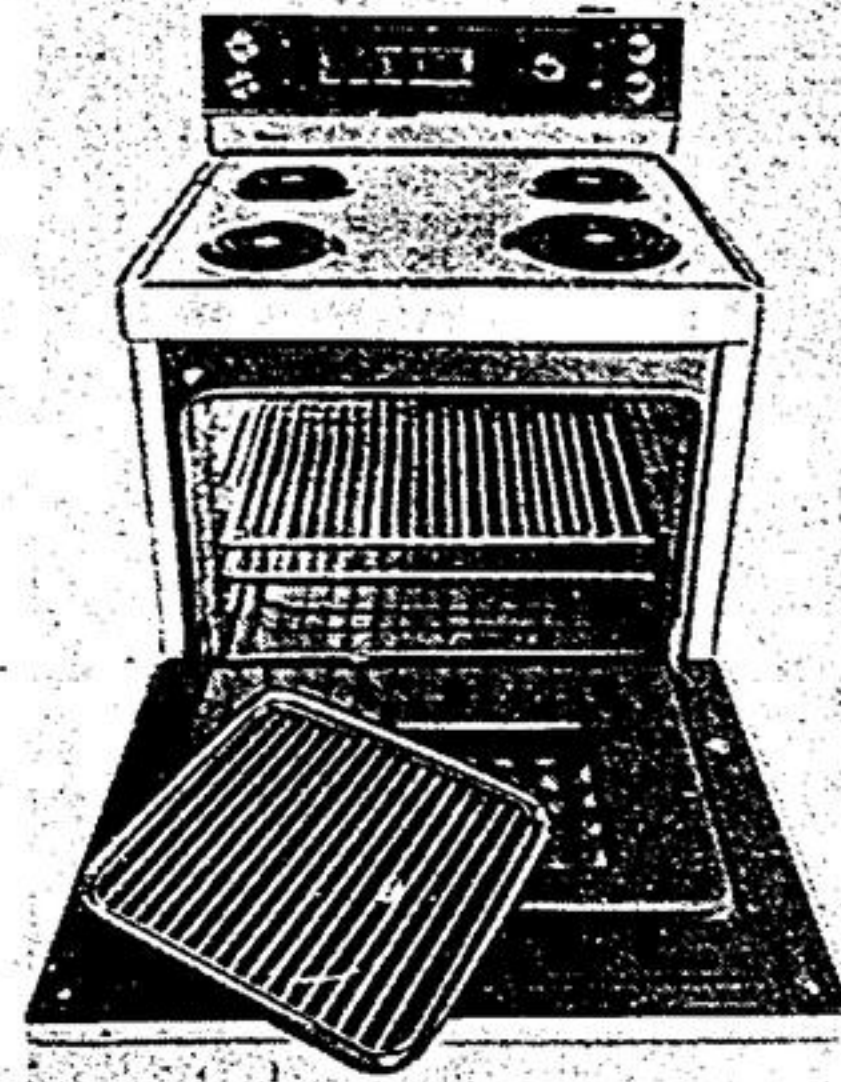

If it's time to replace your dated range then compare Baycrest with all the rest and you'll choose this Baycrest every time.

- Removable oven door for easier cleaning
- Two slide-out oven shelves
- Large full-width oven storage drawer
- Automatic pre-heat oven control
- See-through oven door allows you to check without disturbing temperature.

DIGITAL EASY-TO-READ AND SET TIMER

Means you can set the oven to come on while you're out and dinner will be ready at a pre-determined time. It starts, cooks, and holds the food ready for you.

CONTINUOUS CLEAN OVEN

Each time the oven is used, a special catalyst baked into the oven interior oxidizes spatters as they occur at normal cooking temperatures. This process does not create an odour, nor affects the food being cooked. Heavy spills must be wiped first, but the large removable spill tray makes this an easy task!

EASY-TO-CLEAN, PLUG-OUT ELEMENTS

And removable drip bowls. Makes all your cleaning quicker and far more convenient.
