Dave Dart
Champion hurls discus at barn door in practice

STOUFFVILLE — All those holes in the barn doors finally paid off for Dave Dart.

For months the 15-year-old Stouffville SDSS student had been hurling his discus at the weathered old boards as he practiced his throwing technique, and the gap-toothed doors attest to the power of his throws. Now, along with the shattered doors, his family can admire Dave's gold medal.

He finished first place in the Canadian Legion Track and Field meet which took place at the University of Western Ontario in London last week. That makes Dave Dart the Ontario Champion.

On Saturday August 21 he will go on to the national finals in Edmonton, Alberta to represent our province. Previously, Dave had won the SDSS Track and Field trophy, and placed fourth in the Ontario Secondary School Provincial Finals.

He attributes much of his success in this competition to improvements in his technique, many of them picked up from coaches picked up from coaches.

All-star squirts defeat Keswick
STOUFFVILLE — The Stouffville all-star squirts gave Keswick a run for their money in OASA play-off action recently. The teams were tied after a hard-fought seven-innings when two Stouffville men got on base. A Stouffville player socked a homer to wrap up the game 11-8.

at the different meets; and the fact that he now uses a heavier discus.

What is really surprising is that Dave never hurled a discus until this year, and got into the sport strictly by accident. A friend of his had been practicing his discus throws in the school-yard when Dave came by and threw the discus back towards him. To everyone's amazement it sailed right over his head.

"Turned out I could throw farther than him," said Dart, "it got me kind of interested."

As well as track and field, Dave has other interests. He recently won the St. Georges Junior Invitational golf tourney with a low net score of 70, and plays catcher for the local midget all-stars.
