**25,000 mile Treadwear-Rated
... 5-Year Road-Hazard Insured**

With the introduction of glass belts, tire mileage almost doubled, while performance in key areas such as wet-traction, braking, high-torque starting and cornering improved immensely. This construction is found on many current-production cars. The 2 Glass Belts ensure high-speed performance. Its 2 Polyester Plies add the stability required on today's modern automobile. Safety, mileage and strength — you'll find them all together in this tire!
