A MESSAGE FROM THE TOWN COUNCIL

The Town of Markham Council wishes to extend to the President, Executive, and members of the Markham Fair Board, our very best wishes for a successful fair in 1976.

May we take the opportunity of congratulating, not only this year's Board, but past members on their achievement of making Markham Fair an outstanding event in our Town. We know that you will agree that the fair is recognized as one of the best in the Province of Ontario.

As our Town grows it is important that our new residents become familiar with the activities of the Fair. There are many hours of hard work by all members of the Agricultural Society in organizing various exhibits and programmes. A great deal of effort is expended by the exhibitors to display merchandise or products. The competition in the various classes between exhibitors is keen. These and many other aspects of the Fair create an air of excitement.

The Markham Fair is a day for the whole family and we wholeheartedly recommend you attend this event in 1976. We feel confident that the executive and members of the Markham Fair Board will make you feel welcome and we look forward to seeing you there.

Yours sincerely,

MARKHAM TOWN COUNCIL
