

Two ball teams battle for championship

CLAREMONT — The Claremont house league came to a successful conclusion on Sept. 20 with Stan McMullen's team edging Dean Evans' by the score of 6-5. Each team had previously won one game in the two out of three series. The Evans team took a four run lead in the first with tallies by Dean Manderson, Jeff Jones, Brad and Tim Evans, but were held to only one more run, a round tripper by Brad Evans, in the third. The winners fought back with a run by Lisa McTaggart, Gary McMullen, Tray Hanson, and Larry David. In a losing cause, Brad Evans played his usual steady game on first base and also scored two runs. Rival first baseman Gary McMullen played a strong game for the winners, making a number of key outs, and winning pitcher Kevin Hicks turned in a good performance. Both teams played well in spite of the damp, cold evening.

Richmond Sod and Pine Orchard Service Centre shared the league championship at the house league ball tourney. The winners are from left to right: Susan Newman, Allison Staley, Joanne Woodcock, Glenda Peard, Lynn Missingham, Janice Madill, Crystal Eves, Robin Murby, Ellen Dunn, Cindy Woods, Bonnie Wideman, Cathy Merkle, Diana Voldner, Kathy Kingdon, Laura Summerfeldt, Margie Plakes, Shelley Andrews, Richmond Sod coach Cathie White, Rhonda King, Karen Greenwood. The man with the satisfied smile at the back is Pine Orchard coach Dave Summerfeldt. Coach Jack Taylor was absent.

New Clipper coach

STOUFFVILLE — The Stouffville Clippers are fortunate this year in securing the services of Murray Sinclair as coach.

Coach Sinclair, who moved here from Port Elgin, played intermediate hockey himself for twelve years, and for eight years coached players from minor hockey right through to the intermediate C team. During his tenure he led his Port Elgin juvenile

Stouffville takes on Markham

STOUFFVILLE — This Saturday night (Oct. 2) at 8:15 p.m., Stouffville's junior 'C' Clippers take to the ice for an exhibition contest against the Junior B Royalls from Markham. The Royalls are coached by former Clipper Ron Bell and managed by Stouffville's Jack Watson.

Stouffville coach Murray Sinclair has cut down to the required 20 players and has virtually a carbon copy of last season's team. The return of Chris Clarridge, presently a student in environmental science at the University of Waterloo, will definitely strengthen the Clipper defence. Newcomer Damon Bennett from Markham has been most impressive on the blue line and should fill the gap left by the graduation of Mike Slonnick and Wayne Norton. Goalies Jack Holder and Rick Marshman are back between the pipes.

Stouffville's first league game will be held on Saturday Oct. 9, at 8:15 p.m. when the opposition will be Uxbridge.

Registrations still accepted

STOUFFVILLE — Late registrations will still be accepted for all divisions of minor hockey. At the moment there are still openings in every category from novice up.

Since hockey is now underway in the arena, late registrations will be accepted at the Schell Lumber office by Harry Schell.
