

George W. Harris, 68, of Gormley was pronounced dead on the scene after he pulled out in front of a Greyhound GO bus and was struck broadside. Mr. Harris is reported to have been travelling westbound when he stopped at a stop sign at Don Mills and Bethesda

sideroad, then pulled out in front of the bus. The car was pushed sideways for over 100 feet by the bus and the bus, which went off the road, through the ditch and into the middle of a field, travelled another 40 feet before coming to a stop. The bus, carrying only Harry Usher, 50, and his

son, both of Sutton, remained upright and damage was limited to \$2,500. Mr. Usher and his son were uninjured. The accident occurred just after 6 o'clock Friday evening. It was raining and very dark at the time. Mr. Harris had been an employee at Gormley Sand & Gravel.

Charge of negligence against youth dropped

STOUFFVILLE — Charges of criminal negligence, filed against Michael Barry, Main St. E., and a Toronto man, have been dismissed. The charges, laid after a two-car collision in which Christopher Mudge, 28, of Toronto was killed, were dismissed in Bowmanville Provincial Court.

In a written statement Mr. Barry explained he wasn't aware he wasn't supposed to be on the track. "There were no signs and there were other cars, — that's what gave us the idea." Mr. Johnson told the court he and the deceased, a passenger in the car, hadn't completed a lap before the collision occurred. He said at least one had passed him travelling in the opposite direction. Mr. Barry, he said, was in the wrong lane as far as race drivers were concerned but was on the correct side as far as driving on public roads.

Man charged as nose biter opts for jury

NEWMARKET — A Markham area man charged with wounding in an attempt to disfigure elected trial by judge and jury when he appeared in Newmarket Provincial Court last week.

Robert Paul Moran was committed for trial on the charge after Judge Charles Drukarsh had heard evidence from Steven L. Sawchuk, and had noted the obvious disfigurement of the Markham man.

Police commissioner succeeded by mayor

NEWMARKET — East Gwillimbury Township Mayor Gladys Rolling, who will be retiring from the office in a few weeks, took up her new duties last Wednesday night when she became a York Regional Police Commissioner.

Mrs. Rolling, who succeeds former Commissioner Stewart Rumble of Markham, has been appointed for a two-year term. Gordon Cook of King Township the other provincial appointee has been returned for another two-year term following six years on the commission.

Judge William Lyons, Chairman of the Board of Police Commissioners, extended the board's congratulations to Mrs. Rolling on her new appointment and said the East Gwillimbury mayor will bring a contribution in wisdom and humour to the position.

"In my view she will be a stable member who will contribute a great deal," Judge Lyons told the board.

The commission will be honoring Mr. Rumble for his six years of service on the board at a later date.

Judge Lyons commented on the work of Mr. Rumble during that time and told the board he would be missed.

Markham Fire Department

Has 'awful weekend'

A \$40,000 fire on Markham Main Street Thursday evening, Nov. 25, marked the beginning of what Fire Chief Myrl Smith termed "an awful weekend" for the Markham Fire Department.

At 8:52 p.m. Thursday a fire was reported at Markham Auto Trim, 316-318 Main Street N., by a neighbour, George Anderson who saw flames coming from the building which houses an auto trim and upholstery business operated by Tony Meuhlegg.

Twenty-three firemen and five trucks from Markham, Unionville and Thornhill were on the scene within minutes, but were unable to save the workshop. Damage to the adjoining house at No. 316 was confined to the rear portion.

Fire Chief Smith said cause of the blaze is believed to be a smoke pipe which was too close to the studding in the shop wall. He believes it had been burning about an hour before it was discovered. The fire was

fed by supplies at the plant such as upholstery material, and firemen were at the scene more than five hours. Luckily there were three water hydrants adjacent to the site. York Regional Police blocked off Main Street traffic from the CNR tracks to 16th Ave. for four hours.

Townhouse Fire On Saturday night, 11:27 p.m., a call was received to a fire which gutted a townhouse condominium at 63 Village Parkway, in Unionville. Chief Smith said a neighbour smelled smoke, saw flames coming from unit 9, and called the fire department.

Correction In a story which appeared in last week's Tribune (Nov. 25) it was incorrectly stated that two cars involved in a fatal collision were heading northbound.

A car driven by Thomas West, 16, was northbound and a vehicle driven by Wayne Thompson, 17, was southbound. Mr. Thompson was not northbound as previously stated.

Brenda McCleod, 18, of Perth, died as a result of the accident.

A car driven by Thomas West, 16, was northbound and a vehicle driven by Wayne Thompson, 17, was southbound. Mr. Thompson was not northbound as previously stated.

What's the price of cushions got to do with banking?

There's nothing like having a cushion or surplus in your Personal Chequing Account to take care of unexpected emergencies or opportunities — but at what price? After all, PCAs don't pay interest. But TD does the next best thing.

So if you write a fair number of cheques No-Charge Chequing could be good value. Ask about it at your nearest TD branch.

No-charge chequing

For those times that your monthly statement shows a constant cushion of \$200. (or more) throughout a whole statement period, TD cancels all chequing charges for that period automatically!

TD Personal Chequing Account statement periods cover four or five weeks. On the last day of each period the statements are checked to see if No-Charge Chequing applies. No-Charge Chequing includes all TD PCAs except TD Personal Service Plan which has a flat monthly fee.

the bank where people make the difference

Now more than ever, Matinée mildness makes a lot of sense.

Warning: Health and Welfare Canada advises that danger to health increases with amount smoked — avoid inhaling. Average per cigarette: King Size: 12mg "tar" 0.8mg nicotine. Regular: 8mg "tar" 0.5mg nicotine.

Police decide to shop for vans

NEWMARKET — The York Regional Police Commission last week agreed to a recommendation from Regional Police Chief Bruce Crawford to "shop" for quotations for the purchase of two van type trucks, to cost approximately \$11,000 for use by the police department's safety bureau.

Making the recommendation, the chief told board members that although sufficient funds are not available in the vehicle account for the purchase, funds are available in other parts of the 1976 budget which may be transferred.
