

# 'TIS THE SEASON TO BE JOLLY

# NOT DEAD!

THINK BEFORE YOU DRIVE AND DRINK

# GREETINGS TO ALL

Nobody's putting down merriment. It's part of the holidays: happy hearts... high spirits... good cheer belong to the Christmas season. So do big festive parties. But drunken driving? That's something else. And there's nothing jolly about it!

Alcohol and driving don't mix... what makes you feel like the life of the party can make for death on the road. Even one drink can delay reactions... impair coordination... affect your judgment just enough to cause an accident. Why chance it?

Think before you drink. Consider all you have to lose. Christmas time is for family rejoicing. Don't let it turn into a tragedy.

Remember -- 1977 is the first year of the rest of your life. Please try to be here to enjoy it. Life is too precious to gamble with!
