GREAT LITTLE CAR

GLC means great little car. On a dollar of gas you can travel far. The hatch back body gives lots of room. And it's proven engine adds the zoom. The brakes are disc with power assist. This makes your stopping quick and brisk. Options we don't have to offer. For GLC has done it proper. Reclining seats and tinted glass. Give GLC that real class. A heated window at the rear. Makes snow and frost disappear. Inside is spacious and ostentatious. And rear coil springs make handling gracious. But most of all the price is right. Drive it once and we know you'll bite.
