### Motomaster Parts and Service Guarantee

All Motomaster brake shoes, disc brake pads and brake parts are guaranteed against manufacturing and material defects for 12,000 miles or 12 months (whichever occurs first). In addition, when a complete brake overhaul is carried out by a Canadian Tire Auto Centre (4 wheels relined or rear wheels relined and disc pads replaced on front wheels, wheel cylinders overhauled or replaced) parts and shop charges are both covered for the full 12,000-mile or 12-month period (whichever occurs first).
