Our best glass-belted has four plies of nylon plus two wide glass belts

The Belt-O-Glass 4+2 is our strongest glass belted tire. It has two glass belts atop no less than four plies† of super-tough DuPont-66 nylon. That makes for a BIG safety margin and an easy mind. A tire built for toughness — and proven in our Nevada Desert test! Check details at your local store. It gets a 30,000-mile treadwear rating on all sizes.

5-year road-hazard insured

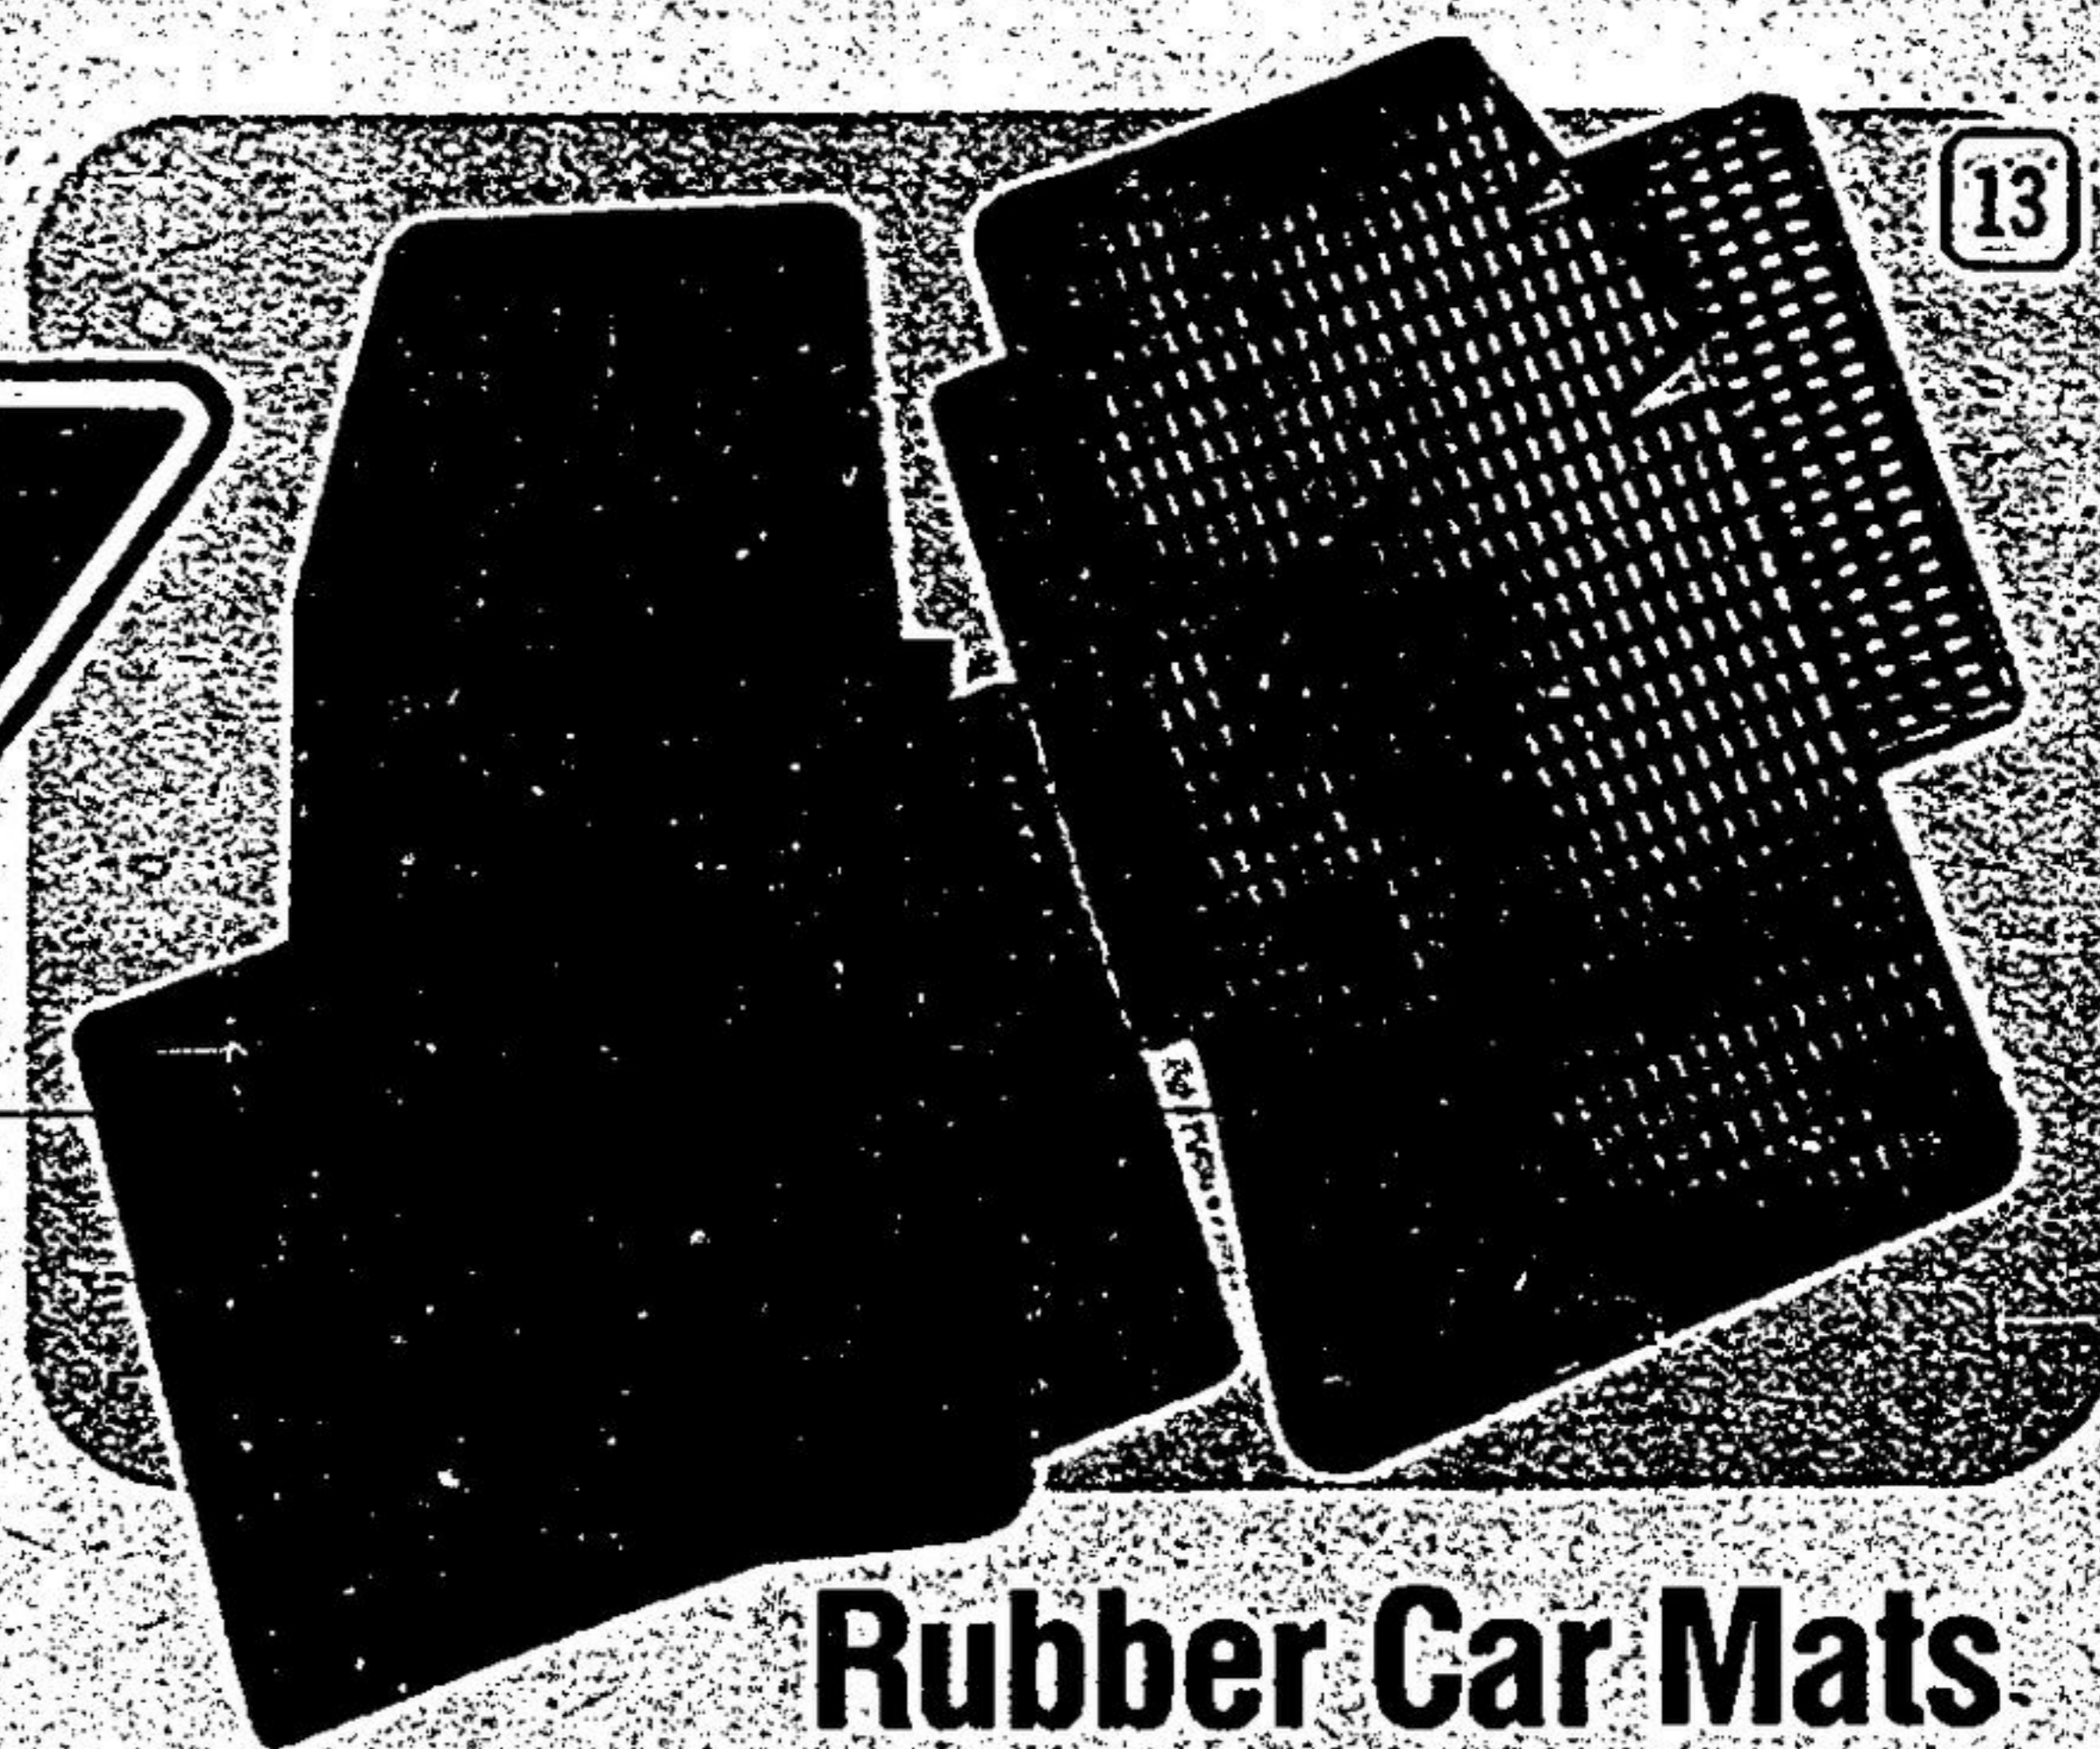

†Compact sizes for compatibility have 2 plies instead of 4
