

Motomaster AIR FILTERS

Reduced!

1963-77 full-size Dodge & Plymouth 6-cyl and V8 273, 313 and 318 with 2BBL Regular \$3.19.....

287

Each

An old, clogged filter restricts engine's normal breathing — excess dirt can cause carburetor damage and poor gas mileage. Take good care of your car by replacing the air filter with a new Motomaster unit.

Samples listed are 10% off regular price. Similar savings on filters for other popular makes.

1972-77 American Motors, all 6-cylinder engines
