

Rev. and Mrs. C.W. Sorley celebrate 50th anniversary

VIVIAN — More than 180 visitors came to offer Rev. and Mrs. C. W. Sorley best wishes Saturday on the occasion of their golden wedding anniversary.

An open house was held at McCormack Memorial Church and was catered by the women from both churches. Rev. Sorley ministers to. For the past three years the couple has been looking after McCormack Memorial and Bloomington

Christian Gospel Church. The open house was attended by all five of the Sorley's children, one son, Tim, journeying all the way from Australia.

Christopher and Muriel Sorley were married in Niagara Falls, Mrs. Sorley's home town. "We didn't have to go far for our honeymoon," joked Mr. Sorley. "A cheap honeymoon for a Scotsman."

Mr. Sorley emigrated from Scotland at the age of 17. The couple had a

pastorate in Kitchener for over 20 years and then served in Quebec for some 18 years before moving to Whitchurch - Stouffville.

The couple enjoy good health which Mr. Sorley attributes to keeping active. "The Lord has blessed us both with wonderful health," he said.

His move to this area was originally intended to give him time for relaxation but he discovered on his arrival

that he would be ministering to two churches instead of just the Bloomington branch.

Sundays he gives a morning sermon at both churches and at Vivian an additional evening service. Mrs. Sorley looks after the Sunday school.

The couple have been quite vigorous in promoting the summer daily vacation Bible school. The school showed a high attendance rate this summer.

Mr. Sorley also plays "the old man's game of golf" but formerly he played soccer in Scotland and enjoyed tennis with his wife.

In spite of this busy schedule, Mr. Sorley says he does not regret his work load, except that "I don't get enough time for visitation". He has no plans for retirement in the foreseeable future.

Friends, family and fellow clergymen came to visit from Quebec, Kitchener, Stratford, Cleveland and Niagara Falls.

The couple received many gifts and from their present congregation and former one from Kitchener received a gift of some \$300.

Rev. and Mrs. C.W. Sorley celebrated their 50th wedding anniversary Saturday with an open house at McCormack Memorial Church, Vivian.

Three showers held for village's brides to be

By ANNE LONEY

A personal shower on August 9 at the home of Brenda Wilson was given by Debbie Uzzell in honor of Brenda and her fiancé Daryl Bradshaw whose wedding takes place Saturday, September 17. White and pink streamers decorated the bride's chair, and lovely white and pink cake, trimmed with yellow roses, was made by Pam Campbell.

On August 16 a kitchen and bathroom shower was given by Shelley Britton at her home in Pickering, with assistants Kathy McBeth and Susie Carruthers of Claremont and Carol Anderson of Bowmanville. Brenda received her gifts in her bride's chair, with medium blue streamers, and the cake was topped with white roses, trimmed with green.

The third shower was a miscellaneous one at a community get-together on August 30 in the Legion Hall. Both the bride and groom sat in the doorway of unique white plastic arbor, mingled with flowers of varied colors. Later there was a buffet style lunch with the Legion Ladies Auxiliary in attendance. It was a beautiful party, and young couple have many friends whose gifts will start them off in their new home.

son, Glen Fossey, is a school principal in the vicinity; son Art is on the council, but he has been ill, and is convalescing at present, and her daughter, Audrey, Mrs. McWilliams, also lives at the lake.

Sandra Machesney was the guest of honor at a miscellaneous shower in the Goodwood Committee Centre on Wednesday 24 given by Joyce McGuckin, assisted by June Harper, both of Goodwood. Assorted flower arrangements were in the hall. Last Monday evening another miscellaneous shower was held in the home of Sandra's grandmother, Mrs. Roy Wagg of Stouffville, and her aunt, Lynda Harper, also of Stouffville. Sandra's wedding will be on Saturday, September 10.

Mr. and Mrs. Bernard Burnell spent some of their holidays with Mrs. Burnell's aunt, Mrs. Tom Jackson of West Hill, who is at her cottage at Sharbot Lake in the summer. All her family now live at the lake, her

Arthritis doesn't care how old you are.

Or who you are. Or what you do. Arthritis is not just a disease of the aged. Arthritis affects all ages, shapes and sizes of Canadians. 95,000 Canadians are now confined to a bed or wheelchair. 428,000 more are partially disabled. 9,000,000 work days are lost annually because of Arthritis, costing \$457,000,000 to our economy. Small wonder Arthritis is a root cause of poverty!

Let's be frank. Arthritis is a serious problem. A problem the people of the Arthritis Society are working very hard to solve. But, solving a problem like Arthritis is expensive. That's why we need your money. To research advances in treatment. To treat those already afflicted through the building and maintaining of Rheumatic Disease Units in hospitals. To inform the Canadian public about the over 100 kinds of Arthritis. Early diagnosis can prevent disability.

Think about it. Don't wait until Arthritis becomes a personal problem. Give us a hand now.
